# Article 1 DEFINITIONS

**Section 1.1** <u>Group Contract Terms</u>. The terms used in the Group Contract have the meanings set forth herein and in the Certificate of Coverage, attached hereto and made a part of this Group Contract.

**Section 1.2** <u>Included Employers.</u> Included Employers under the Group Contract are the Employer and its Associated Companies, as defined below, if any. An Employee of more than one Included Employer will be considered an Employee of only one of those employers for the purpose of the Group Health Care Coverage. On any date when an employer ceases to be an Included Employer, the Group Contract will be considered to end for Employees of that employer. This applies to all of those Employees except those who, on the next day, are still within the covered classes of the Group Contract as Employees of another Included Employer.

**Section 1.3** <u>Associated Companies</u>. Associated Companies are employers that are the Employer's subsidiaries or affiliates listed as "Included Employers" in Section A of the Employer Enrollment Application.

**Section 1.4 <u>Notifications</u>**. Employer must notify Alliant, in writing, when an employer listed as an Associated Company is no longer one of its subsidiaries or affiliates.

# Article 2 EMPLOYER REQUIREMENTS

**Section 2.1** Employer Eligibility. During the term of this Group Contract, the Employer will promptly notify Alliant of any significant changes in the Employer's group composition, eligibility requirements, health benefits design or employees' costs associated with coverage. Any such change that is deemed adverse by Alliant (unless agreed to in writing by Alliant prior to such change) shall give Alliant the option, in its discretion, of terminating this Group Contract, adjusting rates, limiting enrollment or offering the Employer coverage under any other health benefits product as may be offered by Alliant from time to time. Alliant may exercise its options by giving the Employer at least 31 days' prior written notice.

**Section 2.2 Minimum Enrollment.** The Employer must maintain a minimum enrollment agreed upon by Alliant. Any such agreement shall be in writing, and shall constitute a part of this Group Contract. Alliant may terminate this Group Contract by giving the Employer 31 days' prior written notice in the event enrollment falls below this minimum.

Section 2.3 <u>Health Care Plan Administrator</u>. Employer has established and as sponsor maintains pursuant to other written documents, a health benefits program for the benefit of its eligible employees and their eligible dependents, which is an "employee welfare benefit plan" within the meaning of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). Alliant is not the "administrator", "plan sponsor" or a named or unnamed "fiduciary" for purposes of ERISA, provided that for purposes of determining whether to pay all or any portion of a claim, Alliant shall have the exclusive discretionary and final authority to make such determination, and such determination shall be binding unless it is shown that such determination was arbitrary and capricious.

AHP GHCC 1-2014 Page 2 of 8

It is the responsibility of the Employer to inform its eligible employees and their eligible dependents of their ERISA mandated rights and to comply with any ERISA mandated responsibilities, obligations and duties. In no event shall Alliant have any responsibility to provide any person with any notice under the Internal Revenue Code of 1986, as amended, or ERISA, that is required to be provided by the Employer or the plan administrator of any plan sponsored by the Employer.

### **Article 3**

## **ELIGIBILITY OF INDIVIDUALS**

Individuals are eligible for enrollment hereunder only upon meeting and continuing to meet the following requirements:

**Section 3.1** <u>Eligible Employee</u>. Eligible employees of the Employer and their eligible Dependents shall be those persons who meet the criteria set forth in the Group Certificate of Coverage and the Employer Group Enrollment Application.

**Section 3.2** Extension of Eligibility. Alliant and the Employer may together agree to the extension of eligibility to persons other than those provided for in the Certificate of Coverage. Any such extension of eligibility shall be in writing on the Employer Enrollment Application.

**Section 3.3** <u>Subsequent Enrollment.</u> After the Employer's first open-enrollment period during which Eligible Persons may enroll in Alliant, Eligible Persons may enroll in Alliant during any subsequent annual open-enrollment period or within 31 days of having satisfied the Employer's eligibility requirements.

In order to enroll, eligible persons must submit to the Employer a completed enrollment form and any other information which Alliant may reasonably request. Applicants will be considered enrolled only after Alliant has accepted the enrollment form. Alliant acceptance will be based upon timely receipt from the Employer of the enrollment form and the applicable Premium Rate and satisfaction of all of the requirements of this Group Contract.

#### Article 4

### **PREMIUMS**

**Section 4.1** <u>Payment of Premiums</u>. Employer shall pay premiums to Alliant for the duration of the Group Contract, in accordance with the final Premium Rates. Except as indicated below in Section 4.2, the rates shall remain in effect throughout the duration of the Group Contract..

All premiums are due on or before the first day of the month for which coverage is to be provided. Only Members for whom the applicable premium is actually received by Alliant shall be entitled to Covered Services hereunder and then only for a period for which such premium is applicable. If payment for any Member is not made within 31 days of the due date, Alliant may terminate coverage of such Member's Covered Services under this Group Contract. If coverage is terminated under the terms of this provision, the Members will be responsible for payment of all charges for services and supplies at the billed charge rates after the effective date of termination. In addition, no continuation coverage or individual conversion option will be available.

AHP GHCC 1-2014 Page 3 of 8

**Section 4.2** <u>Rate Changes</u>. Alliant retains the right to amend the premium rates under this Group Contract on any of the following dates:

- a. Contract Anniversaries, or
- b. Any date on which the extent or nature of the risk under the Group Contract changes, including without limitation based on group experience or demographics, amendment to the Group Contract, amendment to the Employer Group Enrollment Application, amendment to the Certificate of Coverage or by application of any federal or state law or directive. If the federal or state government mandates that a new benefit be included in the package of benefits or a benefit is removed, the Certificate of Coverage shall be amended to add or remove the new benefit, and the premiums shall be adjusted accordingly.

Alliant shall provide Employer with 90 days' written notice of such change in premiums.

**Section 4.3** <u>Additions and Terminations</u>. Alliant will bill only full month Premium Rates for additions and terminations of Members during any month as follows:

- a. Additions effective as of the first 15 days of the monthly billing cycle will be billed for a full month's Premium Rate; additions effective after the first 15 days of the monthly billing cycle will result in no Premium Rate billed for that month.
- b. Terminations effective in the first 15 days of the monthly billing cycle will result in no Premium Rate billed for that month; terminations effective after the first 15 days of the monthly billing cycle will result in a full month's Premium Rate being billed.

**Section 4.4** Retroactive Adjustments. Employer must notify Alliant in writing within 3 days of the receipt of a completed Employee Enrollment Form and within 3 days of receipt of all termination and change forms. At the discretion of Alliant, retroactive adjustments may be made for any additions and terminations of Members and changes in coverage class not reflected in Employer records at the time the Premium Rates were calculated. However, no retroactive credit will be given for any period which is more than one month prior to the date on which Alliant received notice of termination of the Member or change in coverage class. Additionally, no retroactive adjustment will be made if claims for Covered Services have been made for dates of service subsequent to the requested termination date. Furthermore, by requesting a retroactive termination date, Employer is confirming that there have been no premiums required by the member after the requested retroactive termination date.

# Article 5 TERM AND TERMINATION

**Section 5.1** <u>Terms</u>. The term of this Group Contract shall run for a period of one year following the Contract Date appearing on the first page of this Group Contract. Unless otherwise terminated in accordance with the Group Contract, the Group Contract shall be automatically renewed for successive one-year terms on each anniversary of the Contract Date, subject to Alliant's then-current premium rates. Alliant shall provide

AHP GHCC 1-2014 Page 4 of 8

Employer with written notice of any change in premium rates, as set forth in Article 4.

Such right of termination shall be in addition to any other remedies Alliant may have at law or in equity with regard to such default. Policy reinstatement shall be at the discretion of Alliant, subject to Alliant's then-current reinstatement fee.

**Section 5.3** <u>Fraud</u>. Upon written notice to the Employer, Alliant may, at its discretion, immediately terminate or rescind this Group Contract for fraud or a material misstatement made in writing and signed by the Contract Holder, or may terminate the coverage of a Member for fraud or material misstatement by such Member relating to coverage under this Group Contract.

**Section 5.4 Other Alliant Terminations**. In addition to those rights of termination otherwise provided for herein, Alliant may terminate the Group Contract to the extent and in the manner permitted or required under applicable law.

Upon termination, whether by failure to pay premiums or upon written notice, all rights to benefits shall terminate at the end of the period for which all required premiums have been paid. Employer agrees to be responsible for notifying its employees that the Group Contract has terminated. Upon termination, Employer and Members shall be obligated, jointly and severally, to pay to Alliant all billed charges for all health services and benefits received by a Member or a Member's dependent after the Group Contract is terminated. Upon default in making payments, Alliant shall notify Employer and Members of the effective date of termination, and individual conversion coverage will not be available. No termination shall relieve the Employer from any obligation incurred prior to the date of termination of this Group Contract. It is the responsibility of the Employer to notify the Members of the termination of the Group Contract in compliance with all applicable laws. However, Alliant reserves the right to notify Members of termination of the Group Contract for any reason, including non-payment of premium. The Employer shall provide written notice to Members of their rights upon termination of coverage.
