## IRS EXTENDS DEADLINE FOR SUPPLYING ACA INFORMATION FORMS TO EMPLOYEES

The IRS issued Notice 2018-06 on December 22, 2017 extending the 2018 due date for distributing 2017 health coverage information forms to employees. The 1095-C and 1095-B forms, which detail the healthcare coverage offered to employees, are now due March 2, 2018. This 30-day extension is automatic. Employers and providers do not have to request it.

The due date for filing 2017 information returns with the IRS were not extended, however. For 2018, the due dates to file information returns with the IRS remain February 28 for paper filers and April 2 for electronic filers.

Notice 2018-6 also extended good-faith transition relief to 2017 information reporting. This relief applies only to incorrect and incomplete information reported on Form 1095-C or 1095-B, and not to a failure to timely furnish or file the forms.

Alliant will not delay the delivery of 1095-Bs.
