

PHCS Dual Network Carve-Out List

Some members have access to an extended network of doctors and facilities called the PHCS network, depending on their plan. Members should look for the PHCS Outside Alliant Network logo on their ID card or call Customer Service at (866) 403-2785 to be certain.

Please review the list of carve-outs, as there could be higher costs to members who visit providers who are not in the plan's network. Although some providers may be shown on the PHCS directory, in-network benefits do not apply to the providers that have been carved out from participation as identified below:

GEORGIA LOCATIONS

Access to the PHCS network does not apply within the following Georgia Counties:

Dawson Fannin Gilmer Habersham Hall Lumpkin
Murray Pickens Rabun Stephens Towns Union Whitfield

However, Alliant maintains contractual agreements with providers in these counties. Please view the Alliant network to find an in-network provider in these counties. *Jackson county was removed, effective 1/1/2021.*
