Search for Providers/Facilities on the PHCS Network*

A Reminder Notice will appear confirming you wish to bypass the Alliant Network. On this Reminder, you will find a link to a PHCS carve-out list. The carve-out list includes providers who have been excluded from the PHCS network even though they may appear in a search result. Be sure to confirm your provider is not on the carve-out list. Finally, you will find a link to a sample member ID card with the PHCS logo. Click "Continue" to continue with your PHCS search.
