Notes

Chiropractic care is covered at a primary care cost-share.

Limits: Home Health - 120-day limit
 Skilled Nursing - 60-day limit
 Chiropractic - 20-visit limit

Open Enrollment for 2018 begins on November 1, 2017 and ends on December 15, 2017. This is true whether purchasing plans on or off The Health Insurance Marketplace. Outside of Open Enrollment, applicants must experience a Qualifying Life Event (QLE) that entitles them to a Special Enrollment Period (SEP).

If applications are received by the 15th of the month, the effective date is the 1st day of the following month. Applications received on the 16th or later in a month, receive the 1st day of the second following month as an effective date. Initial premium payment must be “received” no later than the day before the effective date. SEPs have their own effective date rules.

Plans are guaranteed renewable, calendar year plans. The subscriber can renew each year without a requirement to re-enroll or take action, except pay their premium. Calendar year out-of-pockets, copays, deductibles and out-of-pocket maximums reset on January 1 of every year, regardless of “the date/month” the plan was originally purchased.

Plans renew each January 1 based on filed/approved rates by CMS and the Georgia Department of Insurance. In addition to changes in the premium occurring on January 1 of each year, CMS also allows for adjustments to the plan benefits, out-of-pocket and/or deductible limits. Upon renewal, plans may have an increase, or in some cases a reduction, in plan benefits, OOP Maximums and/or deductibles, but by rule, remain in their metal category.

Individuals entitled to, or currently on Medicare, are not eligible for an Individual/Family Policy, by Federal Law.

In addition, for SoloCare plans sold ON The Health Insurance Marketplace, each of the Silver metal plans has variants of the base 01 plan, required by the Affordable Care Act. All Silver SoloCare plans have the following seven variations; variations numbered two through seven are available only on The Marketplace and eligibility is determined by CMS:

1. Standard Silver OFF MARKETPLACE – suffix is 00
2. Standard Silver ON MARKETPLACE – suffix is 01
3. Zero Cost Sharing Plan – suffix is 02
4. Limited Cost Sharing Plan – suffix is 03
5. 73% AV Level – suffix is 04
6. 87% AV Level – suffix is 05
7. 94% AV Level - suffix is 06
