Broker shall be solely responsible for the payment of all local, state and federal taxes applicable to the commissions paid to Broker by Company. Broker shall be responsible for all out- of-pocket costs and expenses incurred by Broker in connection with the performance of Broker’s responsibilities, obligations and services hereunder.

(14) ALTERNATIVE DISPUTE RESOLUTION

- (A) Except to the extent that either party hereto might seek equitable relief against the other party, each of the parties, on their own behalf and on behalf of their respective successors and permitted assigns, hereby agrees that any and all disputes, controversies or claims arising out of or relating to this Contract, or the breach hereof (collectively, a “Claim”) (other than a Claim arising under Sections 15 and 16 below), shall be resolved by binding arbitration before the American Arbitration Association (“AAA”) by a single arbitrator, located in the City of Dalton, State of Georgia, unless the Parties consent to a different location, under the auspices of and in accordance with the then- current Commercial Arbitration Rules of the American Arbitration Association. The arbitration shall be governed by the substantive laws of the State of Georgia applicable to contracts made and to be performed therein, without regard to conflicts of law rules, and by the Federal Arbitration Act, 9 U.S.C. § 1, et. seq., as amended (“FAA”), and the arbitrator shall have no power or authority to order or grant any remedy or relief that a court could not order or grant under applicable law. Any issue as to whether or the extent to which the Claim is

subject to the arbitration, including, but not limited to, issues relating to the validity or enforceability of these arbitration provisions, the applicability of any statute of limitations or other defense relating to the timeliness of the assertion of any Claim or any other matter relating to the arbitrability of such Claim, shall be decided by the arbitrator. The arbitrator's award shall be final. The arbitrator shall render the award in writing and, unless both Parties agree otherwise, shall include the findings of fact and conclusions of law upon which the award is based. Except as specifically provided for in this Contract, each Party shall pay their own attorneys' fees and expenses relative to arbitration. All costs and expenses of the arbitration, itself, including the arbitrator's fees, shall be allocated among the Parties according to the arbitrator's discretion as set forth in the award. The arbitrator's award resulting therefrom may be confirmed and entered as a final judgment in any court of competent jurisdiction and enforced accordingly. If any portion of this Section 14 is deemed invalid or unenforceable, it shall not invalidate the remaining portions of the Contract. This Section 14 shall inure to the benefit of and be binding on each of the parties hereto and their respective successors and permitted assigns and it shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Contract. If any party hereto shall, in contravention of this Section 14, file a proceeding in any court, and if such proceeding is dismissed or stayed pending arbitration due to a finding by the court that the filing of such action was in contravention of this Section 14, the party seeking to compel such arbitration shall be permitted to recover in such arbitration their attorneys' fees and costs incurred in compelling such arbitration. No action brought pursuant to this Section 14 may be joined with any other actions.

- (B) The procedures specified in this Section 14 shall be the sole and exclusive procedures for the resolution of Claims between the parties hereto arising out of or relating to this Contract; provided, however, that a party, without prejudice to the above procedures, may seek a preliminary injunction or other provisional judicial relief, if in its sole judgment such action is necessary to avoid irreparable damage or to preserve the status quo. Despite such action, the parties will continue to participate in good faith in the procedures specified in this Section 14.
- (C) All applicable statutes of limitation and defenses based upon the passage of time shall be tolled while the procedures specified in this Section 14 are pending. The parties hereto will take such action, if any, required to effectuate such tolling.

(15) CONFIDENTIALITY

- (A) Broker acknowledges that, in the course of performing its duties under this Contract or otherwise, it may receive or learn information about individuals who have

Broker agrees to restrict access to the Confidential Information to those employees who need to know that information to perform Broker’s duties under this Contract. Broker further agrees that, upon request of Company, it will return to Company or destroy all tangible items containing any Confidential Information, including all copies, abstractions and compilations thereof, without retaining any copies of the items required to be returned, except for such items required to be retained by Broker under applicable laws and regulations, including, without limitation, record retention laws and regulations. The obligations of this Section 15 extend to the employees, brokers, affiliates and independent contractors of Broker, and Broker shall inform such persons of their obligations hereunder.

- (B) Upon learning of any unauthorized disclosure or use of any Confidential Information, Broker shall notify Company promptly and reasonably cooperate with Company to protect such Confidential Information.
- (C) If Broker believes it is required by law or by a subpoena or court order to disclose any Confidential Information, then Broker, prior to any disclosure, shall promptly notify Company in writing attaching a copy of the subpoena, court order or other demand and shall make all reasonable efforts to allow Company an opportunity to seek a protective order or other judicial relief.
- (D) In connection with its performance under this Contract, Broker agrees to comply with all applicable laws, including, but not limited to, laws protecting the privacy of non- public personal information about individuals.
- (E) The provisions of this Contract relating to confidentiality shall survive termination or expiration of this Contract.
