Alliant makes every effort to ensure that our lists of providers are up to date and accurate, but please know that providers do leave our networks from time to time, and the directory updates each business day. We recommend that members contact the provider's office or Alliant Health Plans' Client Service at 866-403-2785 to verify their participation status and availability prior to receiving services.

Alliant makes every effort to ensure that our lists of providers are up to date and accurate, but please know that providers do leave our networks from time to time, and the directory updates each business day. We recommend that members contact the provider's office or Alliant Health Plans' Client Service at 866-403-2785 to verify their participation status and availability prior to receiving services.

Alliant makes every effort to ensure that our lists of providers are up to date and accurate, but please know that providers do leave our networks from time to time, and the directory updates each business day. We recommend that members contact the provider's office or Alliant Health Plans' Client Service at 866-403-2785 to verify their participation status and availability prior to receiving services.

Alliant makes every effort to ensure that our lists of providers are up to date and accurate, but please know that providers do leave our networks from time to time, and the directory updates each business day. We recommend that members contact the provider's office or Alliant Health Plans' Client Service at 866-403-2785 to verify their participation status and availability prior to receiving services.

Alliant makes every effort to ensure that our lists of providers are up to date and accurate, but please know that providers do leave our networks from time to time, and the directory updates each business day. We recommend that members contact the provider's office or Alliant Health Plans' Client Service at 866-403-2785 to verify their participation status and availability prior to receiving services.

Alliant makes every effort to ensure that our lists of providers are up to date and accurate, but please know that providers do leave our networks from time to time, and the directory updates each business day. We recommend that members contact the provider's office or Alliant Health Plans' Client Service at 866-403-2785 to verify their participation status and availability prior to receiving services.

Alliant makes every effort to ensure that our lists of providers are up to date and accurate, but please know that providers do leave our networks from time to time, and the directory updates each business day. We recommend that members contact the provider's office or Alliant Health Plans' Client Service at 866-403-2785 to verify their participation status and availability prior to receiving services.

Alliant makes every effort to ensure that our lists of providers are up to date and accurate, but please know that providers do leave our networks from time to time, and the directory updates each business day. We recommend that members contact the provider's office or Alliant Health Plans' Client Service at 866-403-2785 to verify their participation status and availability prior to receiving services.

Alliant makes every effort to ensure that our lists of providers are up to date and accurate, but please know that providers do leave our networks from time to time, and the directory updates each business day. We recommend that members contact the provider's office or Alliant Health Plans' Client Service at 866-403-2785 to verify their participation status and availability prior to receiving services.
