The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-866-403-2785 or visit www.alliantplans.com. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.healthcare.gov or call 1-866-403-2785 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	In Network: \$750/Individual, \$1,500/Family Out of Network: None	You must pay all the costs up to the <u>deductible</u> amount before this <u>plan</u> begins to pay for covered services you use. Check your policy or <u>plan</u> document to see when the <u>deductible</u> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u> ?	Yes. <u>Preventive</u> <u>care/screening</u> /immunization. Additional details included per service category elsewhere in this SBC.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet a <u>deductible</u> for specific services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	In Network: \$1,500/Individual, \$3,000/Family Out of Network: None	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges (unless balance billing is prohibited), and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See <u>www.alliantplans.com</u> or call 1-866-403- 2785 for a list of <u>network providers</u> .	This plan uses a provider network. You will pay less if you use a provider, in the plan's network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> , for the difference between the <u>provider's</u> charge and what your plan pays (balance billing). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> , before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
