

Frequently Asked Network Questions

**ALLIANT HEALTH PLANS
NETWORK MAP**

Alliant Health Plans maintains an extensive network of providers in the counties highlighted in blue. While we have direct contractual relationships with providers outside of the highlighted area, the concentration of Alliant providers offer services within the blue highlighted Georgia and Tennessee counties. For a full listing of Alliant Health Plans in-network providers, visit the *Find a Provider* tool at AlliantPlans.com.

Alliant Health Plans offers other network options with some, but not all, SimpleCare group plans through PHCS. Below you will find some Frequently Asked Questions regarding networks and access to providers. Members can review their Member ID card or call Customer Service at (866) 403-2785 to determine their network access.

WHICH NETWORKS ARE STANDARD WITH MY PLAN OPTIONS?

First, we must determine where you live.

If you live within...	Then you access the...	Find out more...
the blue counties	Alliant Health Plans network	Visit AlliantPlans.com; select the <i>Find a Provider</i> option and choose the Alliant network to search in-network providers. Instructions on how to find a provider may be found at AlliantPlans.com.
all other counties	PHCS Primary network	Visit AlliantPlans.com; select the <i>Find a Provider</i> option and choose the PHCS Primary network to search in-network providers. Note: please review the available list of excluded providers.

WHAT IF I WANT ACCESS TO BOTH THE ALLIANT NETWORK AND THE PHCS NETWORK?

In order to access both networks, you must purchase a plan that offers the dual network option. You may choose an 80000 Plan or an applicable 90000 Plan.

To search for in-network providers, visit AlliantPlans.com; select the *Find a Provider* option.

Search providers in the Alliant network by selecting *Alliant Health Plans Network*

Search providers in the PHCS wrap network by selecting *PHCS Outside Alliant Network*

Note: Please review the available list of excluded providers. Some excluded providers are listed by name, and other providers are excluded based upon the counties where they provide services. It is important to review this list before making your network selection.

IMPORTANT: The directory includes all providers in the Alliant Plans network but may change from time to time. The directory is updated every business day and every effort is made to ensure the accuracy of the information. We are aware that providers' information and participation status change regularly. Therefore, we recommend that members contact the provider's office to verify their participation status and availability prior to receiving services.

Contact Customer Service at (866) 403-2785 to verify your provider is in-network and the desired service is covered.
