31-Day Premium Payment Grace Period for Groups

This is a reminder about premium payment requirements for Groups. Groups should receive their invoice approximately 10 days before the beginning of each billing period. Payment is due on the 1st of the billing period each month. If payment has not been received by the 1st of each month, the group will automatically be placed in a 31 day grace period, and a warning letter will follow. If payment is not received by the 31st day of the grace period, the group policy will be terminated.

NOTE: During this grace period, Alliant Health Plans will confirm benefits for each active member of a group.
