(1) APPOINTMENT AND LIMITATION OF AUTHORITY

- (A)** Company hereby appoints Producer as a broker of Company for the limited purposes of soliciting purchases of and procuring applications for insurance products offered by Company and referenced in the schedule attached hereto as Exhibit A, as the Company may amend it in its sole discretion from time to time (the "Company Insurance Products"), subject to the terms and conditions of this Contract. The scope of the agency authority granted by the Company to Producer is strictly limited to the terms of this Contract. A producer has no authority to bind any risk or coverage on behalf of the Company, issue any insurance coverage, policy, endorsement, rider, certificate, or cancellation notice, or to take any other action on behalf of Company except as otherwise expressly set forth herein.
- (B)** A Producer has no authority to alter, modify, waive, or change any of the terms, rates, conditions, or other provisions of any of the Company Insurance Products sold by Producer. A Producer has no authority to incur any costs, expense, or liability on behalf of Company or to obligate Company in any manner whatsoever.
- (C)** Except for the limited purpose of forwarding to Company checks received by Producer from policyholders for the payment of initial premiums due for Company Insurance Products sold by Producer, Producer has no authority to collect or receive premiums or any other monies due Company.
- (D)** A Producer is authorized on a non-exclusive basis to solicit and procure applications for and sell Company Insurance Products only in the State of Georgia, subject to the terms of this Contract and the rules, policies, and procedures established by Company from time to time.
- (E)** On the date of any termination or the expiration of this Contract, all authority granted by Company to Producer under this Contract shall terminate.

(2) INDEPENDENT CONTRACTOR RELATIONSHIP

Under this Contract, Producer shall be an independent contractor of Company free to exercise his/her judgment as to the time, place, and means of performing all acts authorized to be performed by Producer under this Contract. Nothing contained herein shall create or be construed to create the relationship of employer and employee, partnership, franchise, or joint venture between Producer and

PRODUCER CONTRACT

Company. Producer shall be solely responsible for the payment of all local, state, and federal taxes applicable to the commissions paid to Producer by Company. The Producer shall be responsible for all out-of-pocket costs and expenses incurred by the Producer in connection with the performance of the Producer's responsibilities, obligations, and services hereunder.

(3) RESPONSIBILITIES

Producer agrees to:

- (A)** Treat all money and payments received or collected by Producer for Company as property held in trust for the sole benefit of Company, and promptly remit such money and payments to Company with all insurance enrollment documentation for Company Insurance Products sold by Producer after Producer's receipt thereof.
- (B)** Follow all rules, regulations, and instructions as are issued from time to time by Company and the insurance supervisory authorities of any state in which Producer operates.
- (C)** Comply with all applicable laws and regulations in any state in which Producer operates.
- (D)** Comply with all information privacy and security laws and regulations established under or pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), including, without limitation, entering into a "business associate" agreement with Company as required by HIPAA.

(4) COMPENSATION

Subject to the terms and conditions of the Agreement and the deductions identified below, Company will pay commissions, at the commission rates established by Company from time to time, on the base rate of premiums charged and received by Company for insurance policies or certificates issued and delivered to a group insured (the "Client") as a result of an application for Company Insurance Products procured by Producer in accordance with this Contract and for which Producer remains the Broker of Record as designated by the Client ("Commissions").

To determine Commissions due to Producer hereunder, all enrollment fees, administration fees, and any dues shall be excluded from gross premiums before Commissions are calculated. The Producer's right to Commissions hereunder is contingent upon the Producer's compliance with the terms of this Contract, including, without limitation, Producer's completion and submission to Company of all paperwork necessary for Company to process and effectuate Producer's appointment as a broker of Company. The Company shall have the right in its sole discretion to make any changes to the amounts or rates of Commission at any time during the Term (as defined hereinbelow), which shall become effective and binding on the Producer upon the Company's written notice to the Producer of such changes.

- (A)** Compensation shall be paid to Producer on issued and delivered insurance certificates after the premium Company has received and applied the premium. The Compensation shall be provided

PRODUCER CONTRACT

as set forth on Exhibit "A," which may be amended from time to time by the Company with thirty (30) days advance written notice.

- (B) If premium received by Company for a period is subsequently adjusted due to policy cancellation or a change in the number of individuals insured under an issued insurance policy or certificate, the Producer will be paid Commissions based on the amount of premium received by Company as adjusted to reflect any such change.
- (C) Upon written notice from Company to Producer, the Company may unilaterally change its plan of compensation insofar as it relates to insurance written after the date of such notice.
- (D) The Company shall have priority security interest and lien against any compensation due from Company to Producer under this Contract. It may use such compensation as an offset to any indebtedness of Producer to the Company or any of its affiliates, and Company may retain such amounts as it may deem necessary to cover any of Producer's liabilities until such liabilities are extinguished. The Producer agrees that Company may make any filings that Company deems necessary or desirable to perfect such security interest and lien.
- (E) Should there be any question about the designation of the Broker of Record for a Client, the Client's designation of such Broker of Record to Company shall control. Changes in the Broker of Record for any Client shall be limited pursuant to the rules, regulations, and procedures set by Company from time to time.

(5) CLAIMS SERVICES ASSISTANCE

(6) INDEMNIFICATION

Producer shall indemnify and hold harmless the Company, its affiliates and their respective directors, officers, shareholders, employees, and brokers (the "Company Indemnified Parties") from and against any and all losses, damages, expenses, liabilities or costs (including reasonable attorneys' fees and disbursements) incurred by a Company Indemnified Party as a result of any third party claims arising under or related to (a) Producer's negligence, willful misconduct or bad faith acts; (b) Producer's breach of any representation, warranty, covenant or other Term or provision of this Contract; or (c) Producer's violation of any Legal Requirement. For this Section 6, the term "Legal Requirement" means any United States, federal, state, and local, laws, statutes, regulations, rules, codes, ordinances enacted, adopted, issued, or promulgated by any governmental body or common law applicable to Company, Producer or this Contract. Producer expressly authorizes the Company to offset against any compensation due or to become due to from Company to Producer under this Contract any amounts owed by Producer to any Company Indemnified Party under this Section 6. The arbitrator's award resulting therefrom may be confirmed and entered as a final judgment in any court of competent jurisdiction and enforced accordingly. It shall continue in full force and effect after and notwithstanding the expiration or termination of this Contract. If any party hereto shall, in contravention of this Section 15, file a proceeding in any court, and if such proceeding is dismissed or stayed pending arbitration due to a finding by the court that the filing of such action was in contravention of this Section 15, the party seeking to compel such arbitration shall be permitted to recover in such arbitration their attorneys' fees and costs incurred in compelling such arbitration.

No action brought pursuant to this Section 15 may be joined with any other actions.

- (B)** The procedures specified in this Section 15 shall be the sole and exclusive procedures for the resolution of Claims between the parties hereto arising out of or relating to this Contract; provided, however, that a party, without prejudice to the above procedures, may seek a preliminary injunction or other provisional judicial relief if in its sole judgment such action is necessary to avoid irreparable damage or to preserve the status quo. Despite such action, the parties will continue to participate in good faith in the procedures specified in this Section 15.
- (C)** All applicable statutes of limitation and defenses based upon the passage of time shall be tolled while the procedures specified in this Section 15 are pending. The parties hereto will take such action, if any, required to effectuate such tolling.

(15) CONFIDENTIALITY

- (A)** Producer acknowledges that, in the course of performing its duties under this Contract or otherwise, it may receive or learn information about individuals who have applied for or purchased insurance or other financial products or financial services from Company, including, but not limited to, personal, financial, or health information ("Confidential Information"). Producer agrees that it will keep all Confidential Information strictly confidential in accordance with applicable law; and that it will not use or disclose to any affiliate or a third party, either orally or in writing, any Confidential Information for any purpose other than the purpose for which the Confidential Information was provided to Producer, except as required or permitted under applicable law.

PRODUCER CONTRACT

reasonably necessary to protect the security of the Confidential Information following applicable laws and regulations. The Producer agrees to restrict access to the Confidential Information to those employees who need to know that information to perform the Producer's duties under this Contract.

- (B)** Upon learning of any unauthorized disclosure or use of any Confidential Information, the Producer shall notify the Company promptly and reasonably cooperate with the Company to protect such Confidential Information.
- (C)** If the Producer believes it is required by law or by a subpoena or court order to disclose any Confidential Information, then Producer, before any disclosure, shall promptly notify Company in writing attaching a copy of the subpoena, court order, or other demand and shall make all reasonable efforts to allow Company an opportunity to seek a protective order or other judicial relief.
- (D)** In connection with its performance under this Contract, Producer agrees to comply with all applicable laws, including, but not limited to, laws protecting the privacy of non-public personal information about individuals.
- (E)** The provisions of this Contract relating to confidentiality shall survive termination or expiration of this Contract.
- (F)** Nothing in this Contract shall be construed to restrict disclosure or use of information that:

DISCLOSURE REGARDING “INVESTIGATIVE CONSUMER REPORT” BACKGROUND INVESTIGATION

_____ (the “Company”), to which you have applied for employment, may request an investigative consumer report about you from a third party consumer reporting agency, in connection with your employment or application for employment (including independent contractor or volunteer assignments, as applicable). An “investigative consumer report” is a background report that includes information from personal interviews (except in California, where that term includes background reports with or without information obtained from personal interviews). The most common form of an investigative consumer report in connection with your employment is a reference check through personal interviews with sources such as your former employers and associates, and other information sources. The investigative consumer report may contain information concerning your character, general reputation, personal characteristics or mode of living. You may request more information about the nature and scope of an investigative consumer report, if any, by contacting the Company.

You have the right, upon written request made within a reasonable time, to request (1) whether an investigative consumer report has been obtained about you, (2) disclosure of the nature and scope of any investigative consumer report and (3) a copy of your report. These reports will be conducted by **MBI Worldwide, 200 Central Ave, Suite 820, Saint Petersburg, FL 33701; tel no. #866-275-4624; www.mbiworldwide.com**. The scope of this disclosure allows the Company to obtain consumer reports now and throughout the course of your employment for an employment purpose to the extent permitted by law.
