*Generic substitution:* FDA-approved generic equivalents will be dispensed for brand-name drugs whenever possible, unless you or your physician indicate otherwise. Brand-name medications may be subject to a higher cost. Generic equivalents are usually less expensive than brand name drugs. If we dispense a brand name drug, you may be responsible for a higher copayment and/or the difference between the brand and generic price of each drug. If allowed by your prescriber, we will dispense a generic equivalent unless you check this box. ☐ I do not accept a generic equivalent.

*Keep on file:* If you are including any prescriptions that you want to keep on file for shipment at a later date, please list them here:
