

Certificate of Coverage

2026 SoloCare PPO - Individual and Family Plans
Georgia

This Contract (Certificate) is between the Subscriber, who applied for coverage, and Alliant Health Plans, Inc. ("Alliant Health Plans", "Alliant" or "AHP").

This Contract (Certificate) provides benefits to the subscriber and eligible Dependents, as long as the terms of the contract are followed and the required premium is paid according to federal and state laws.

The Contract takes effect on the Effective Date as confirmed in a notice from Alliant Health Plans. This Certificate of Coverage replaces and overrides any previous Contracts and/or Certificates issued by Alliant.

In this Certificate of Coverage, "We," "Us," and "Our" refer to Alliant Health Plans. "You" and "Your" refer to the Member—meaning the Subscriber and any covered Dependents.

A handwritten signature in black ink, appearing to read 'Mark Mixer', is centered on the page.

- Be enrolled and pay any required premium.
- Pay any annual Deductible, Copayments and Coinsurance.
- Pay the cost of Non-Covered Services or excluded services.
- Choose In-Network Providers and In-Network pharmacies.

SUMMARY NOTICE

This Certificate explains Your health care benefit plan. This Certificate is written in an easy-to-read language to help You understand Your health care benefits.

The purpose of this Certificate is to help You understand Your coverage. Having a clear understanding of Your coverage will help You make the most of your benefits. Please read this Certificate carefully. If You have any questions about Your benefits as presented in this Certificate, please call Our Client Services at (866) 403-2785.

No agent or other person except an officer of Alliant has authority to do any of the following: (1) waive any condition or restriction of this Contract; (2) extend the time for making Premium payments; or (3) bind Alliant by making any promises or representations or by giving or receiving any information.

Si necesita ayuda en español para entender este documento, puede solicitarlo sin costo adicional llamando a Servicio al Cliente al (866) 403-2785.

English translation: If You need Spanish language assistance to understand this document, You may request it at no additional cost by calling Client Services at (866) 403-2785.

NOTICE: The laws of the state of Georgia prohibit insurers from unfairly discriminating against any person based upon his or her status as a victim of family violence.

VERIFICATION OF BENEFITS

Members or their authorized healthcare providers can verify benefits by contacting Client Services. For questions about medical benefits or to confirm coverage, please call during regular business hours.

Please remember that a benefits inquiry or verification of benefits does NOT confirm coverage for a specific medical procedure.

- Verification of benefits is NOT a guarantee of payment.
- If the verified service requires Prior Authorization, please call (800) 865-5922.

PRIOR AUTHORIZATION (ALSO KNOWN AS PRE-CERTIFICATION)

Prior Authorization is NOT a guarantee of coverage in the following situations:

- The Member is no longer covered under this Contract at the time the services are received.
- The benefits under this Contract have been exhausted (examples of this include day limits).
- In cases of fraud or misrepresentation.
- Services that are not Covered Services under Your benefit plan.

Prior Authorization approvals apply only to services outlined in the Prior Authorization request and/or listed on Our website, AlliantPlans.com. Approval for one service does not extend to any other services, even if they are similar or related. Additionally, approval or payment for a service does not guarantee payment of future claims, regardless of whether those claims involve the same or related diagnoses.

IN-NETWORK

For Prior Authorization, Your **PROVIDER** must call (800) 865-5922.

- Required of Your **Provider** or facility for **ALL** in-patient hospital admissions that are in-network, except for maternity admissions.
- The **Provider** should notify Us by the next business day of an emergency or maternity admission.
- The **Provider** can request Non-Urgent Care Prior Authorizations during normal business hours.
- Emergency Medical Services do NOT require Prior Authorization.

OUT-OF-NETWORK

- For Prior Authorization, **YOU** must call (800) 865-5922.
- Required by **YOU** for **ALL** in-patient hospital admissions that are Out-of-Network.
- **YOU** are responsible for notifying Us within 1-business day of an emergency or maternity admission, or Your claim may be denied.
- **YOU** may request Non-Urgent Care Prior Authorizations during normal business hours.
- Emergency Medical Services do NOT require Prior Authorization.

ELIGIBILITY

If You purchased Your coverage through Georgia Access, see "REPORTING LIFE & INCOME CHANGES TO GEORGIA ACCESS" at the end of this document for additional information.

COVERAGE FOR YOU

This Certificate describes the benefits You may receive under Your health care plan. You are called the Subscriber or Member. Alliant allows child-only policies under this type of plan.

COVERAGE FOR YOUR DEPENDENTS

If You are covered by this plan, You may enroll Your eligible Dependents. Your Covered Dependents are also called Members. Enrollment of Dependents can be done during Open Enrollment or upon experiencing a Special Enrollment Period qualifying event. Eligibility requirements apply to Dependents as well.

YOUR ELIGIBLE DEPENDENTS MAY INCLUDE:

- Your Spouse, if You are not legally separated. Domestic partners are not considered eligible Dependents except when State or Federal law supersedes this Contract;
- Your Dependent children through the end of the year in which they attain age 26;
- Your legally adopted children from the date You assume legal responsibility;
- Your children for whom You assume legal guardianship and stepchildren;
- Your children (or children of Your spouse) for whom You have legal responsibility resulting from a valid court decree;
- Your children who are mentally or physically disabled and totally dependent on You for support, regardless of age;
- To be eligible for coverage as an Incapacitated Dependent, the Dependent must have been covered under this Contract prior to reaching age 26. Certification of the disability is required within 31 days of attainment of age 26. A certification of the disability may be required periodically but not more frequently than annually.

Please note: For the purpose of this Contract, a spouse is the Subscriber's legal spouse as recognized by the state in which the Subscriber lives.

If the wrong date of birth of a child is entered on an application, the child has no coverage for the period for which he or she is not legally eligible. Any overpayments made for coverage for any child under these conditions will be refunded by either You or Alliant.

LATE ENROLLEES

If You or Your Dependents do not enroll when first eligible, it will be necessary to wait for the next Open Enrollment Period. However, You may be eligible for special enrollment as set out below under the Special Enrollment Period section.

OPEN ENROLLMENT

The Open Enrollment Period is defined by the federal government. This enrollment period applies whether purchasing through the Georgia Access or directly from Alliant Health Plans.

SPECIAL ENROLLMENT PERIODS

Consumers can qualify for a Special Enrollment Period (SEP) to enroll for health insurance coverage if they meet certain eligibility criteria. Below is a list of the categories of SEPs currently available:

- Loss of qualifying health coverage;
- Change in household size;
- Change in primary residence;
- Newly gaining eligibility for an Individual Coverage Health Reimbursement Arrangement (ICHRA) or Qualified Small Employee Health Reimbursement Arrangement (QSEHRA);
- Enrollment or plan error.

Loss of coverage does not include voluntary termination of coverage or other loss due to:

- Failure to pay premiums on a timely basis, including COBRA premiums prior to expiration of COBRA coverage; or
- Situations allowing for a rescission as specified in 45 CFR 147.128.

WHEN YOUR COVERAGE BEGINS

Coverage starts at 12:01 a.m. on the Effective Date. The Effective Date is determined by Alliant Health Plans. No benefits will be provided for services, supplies or charges incurred before Your Effective Date.

CHANGING YOUR COVERAGE

There will be an annual re-enrollment period during which time Members may elect to change their options.

CHANGING YOUR COVERAGE (ADDING A DEPENDENT)

You may add new Dependents to Your plan, during Open Enrollment or a Special Enrollment Period, by contacting Client Services at (866) 403-2785.

If You purchased through Georgia Access, You must notify Georgia Access.

If You purchased outside Georgia Access, You must notify Us in writing. Coverage is provided only for those Dependents You have reported to Alliant and added to Your coverage by completing the correct application during a time they are eligible to be enrolled.

MARRIAGE AND STEPCHILDREN

A Member may add a spouse and eligible stepchildren within thirty-one (31) days of the date of marriage. The Effective Date will be the date of marriage. In most cases, there is an additional charge for adding additional covered person(s).

If You purchased through the Georgia Access, You must notify the Georgia Access.

If You purchased outside Georgia Access, You must notify Alliant in writing by submitting an enrollment application.

If a Member does not apply for coverage to add a spouse and stepchildren within thirty-one (31) days or as otherwise provided by Georgia Access of the date of marriage, the spouse and stepchildren are considered Late Enrollees. Please refer to the "Late Enrollees" provision in this section.

NEWBORNS

A newborn shall be covered for the first thirty-one (31) days from date of birth. For coverage to continue beyond the first thirty-one (31) days, an application form to add the child as a Dependent and a payment of any applicable Premium must be received by Us within thirty-one (31) days from the date of birth. The Premium shall include the first thirty-one (31) days of coverage. If the application and Premium are not received by Us within thirty-one (31) days from the date of birth, coverage will terminate at the end of the thirty-one (31) day period.

If the application and Premium are received by Us after the thirty-one (31) day period, but within sixty (60) days from the date of birth, coverage will be reinstated retroactively with no break in Coverage. The provision for newborn coverage does **NOT** apply to a child born to a covered Dependent on the plan who is not Your Spouse.

If You purchased through Georgia Access, You must notify Georgia Access.

In the event You enroll Your newborn in a different plan; Alliant is still required to cover the newborn under Your plan for the first thirty-one (31) days. If You do not wish to have the required coverage under this plan for the thirty-one (31) days, You must sign a waiver. Please contact Client Services at (866) 403-2785 to obtain a Newborn Coverage Waiver Form.

The provision for newborn coverage does **NOT** apply to a child born to a covered Dependent on the plan who is not Your Spouse.

ADOPTED CHILDREN

Adopted children are considered eligible from the date of assumption of legal responsibility. The adopted child is not automatically added to Your policy. For Coverage to begin, an application form to add the child as a Dependent and a payment of any applicable premium must be received by Us within thirty-one (31) days from the date of legal assumption. The premium shall include the first thirty-one (31) days of coverage. If the application and premium are not received by Us within thirty-one (31) days from the date of legal assumption, Coverage will terminate at the end of the thirty-one (31) day period. If the application and premium are received by Us after the thirty-one (31) day period, but within sixty (60) days from the date of legal assumption, coverage will be reinstated retroactively with no break in coverage.

If You purchased through Georgia Access, You must notify Georgia Access.

FOSTER CHILDREN

Foster children are children whose natural parental rights have been terminated by the state and who have been placed in an alternative living situation by the state. A child does not become a foster child when the parents voluntarily relinquish parental power to a third party. In order for a foster child to have coverage, a Member must provide confirmation of a valid foster parent relationship to Alliant. Such confirmation must be furnished at the Member's expense. Foster Children are not automatically added to Your policy. For Coverage to begin, an application form to add the child as a Dependent and a payment of any applicable Premium must be received by Us within thirty-one (31) days from the date of legal assumption. The Premium shall include the first thirty-one (31) days of coverage. If the application and Premium are not received by Us within thirty-one (31) days from the date of legal assumption, Coverage will terminate at the end of the thirty-one (31) day period. If the application and Premium are received by Us after the thirty-one (31) day period, but within sixty (60) days from the date of legal assumption, Coverage will be reinstated retroactively with no break in Coverage.

PAY ATTENTION

If You purchased through Georgia Access, You must notify Georgia Access.

CHANGING YOUR COVERAGE (REMOVING A DEPENDENT)

PAY ATTENTION

When any of the following events occur:

- Divorce;
- Death of an enrolled family member (a different type of coverage may be necessary);
- Dependent child reaches age 26 (see "When Your Coverage Terminates");
- Enrolled Dependent child becomes totally or permanently disabled.

If You purchased through Georgia Access, You must notify Georgia Access.

If You purchased outside Georgia Access, notify Client Services at (866) 403-2785 and ask for the appropriate forms to complete.

HOW YOUR BENEFITS WORK FOR YOU

Regardless of whether You purchased Your coverage through Georgia Access or another source, the benefits provided under this Contract are generally the same, with one key exception: the Grace Period. The length of the Grace Period depends on where You bought Your policy and whether You receive an Advance Premium Tax Credit (APTC).

INTRODUCTION

All Covered Services must be medically necessary. A Member has direct access to primary and specialty care.

An In-Network Provider is a healthcare provider who is part of Our network or has a contract with Alliant Health Plans. For services covered by Your plan, the amount You pay is based on the rate the provider has agreed to accept. Since the provider has agreed to lower rates, Your out-of-pocket costs (like copays or coinsurance) are typically lower when You see an In-Network Provider.

Physicians and Hospitals participating in Our Networks are compensated using a variety of payment arrangements, including but not limited to capitation, fee for service, per diem, discounted fees, and global reimbursement.

For a list of In-Network Providers and facilities, please visit AlliantPlans.com or call Client Services at (866) 403-2785.

PREFERRED PROVIDER ORGANIZATION

Your health insurance plan is a comprehensive benefit plan called a Preferred Provider Organization. This means that You have a choice when You go to a Physician, hospital or other health care provider. The Contract is divided into two sets of benefits: In-Network and Out-of-Network. Out-of-Network Care may pay differently than In-Network Care. Check Your **Summary of Benefits and Coverage** for details. Each time You visit a provider, You will have that choice to make. When You choose a preferred Provider, You have access to In-Network Care.

By visiting AlliantPlans.com You can choose a provider or practitioner from Our network. You also may contact Alliant Client Services at (866) 403-2785 and a representative will help You find an In-Network Provider. After selecting a provider, You may contact the provider's office directly to schedule an appointment.

OUT-OF-SERVICE AREA PROVIDER COVERAGE

A Member who needs a medical provider, physician or facility outside of Our service area, can contact Alliant Client Services at (866) 403-2785, to try to locate an In-Network Provider.

COPAYMENT OR OUT-OF-POCKET

When You choose In-Network care, You may be charged a cost share. Cost sharing is a Copayment or an Out-of-Pocket amount for certain services, which may be a flat-dollar amount

or a percentage of the total charge. Any cost-share amounts required are shown in the **Summary of Benefits and Coverage**.

If applicable, any emergency room Copayment is waived when a Member is admitted to the hospital through the emergency room.

THE CALENDAR YEAR DEDUCTIBLE

The Deductible, or the portion of the bill You must pay before Your medical expenses become reimbursable, is applied on a calendar year basis. Certain preventive services are covered and reimbursable prior to meeting Your Deductible. Deductible requirements are stated in the **Summary of Benefits and Coverage**.

CARRY FORWARD DEDUCTIBLE

If You are covered by this health plan, any covered services from the last three months of the year that count toward Your Deductible can carry over to the next year's Deductible. However, if You switch to a different health plan during the last three months of the year, the carryover will only apply to the new plan. Please note, this carryover doesn't apply if You have a federally qualified High Deductible Health Plan.

COINSURANCE AND OUT-OF-POCKET MAXIMUMS

The amount You need to pay (called Coinsurance) is listed in **Your Summary of Benefits and Coverage**. Once You reach Your Out-of-Pocket Maximum (including any Deductible), Your plan will cover 100% of the allowed costs for the rest of the year.

Out-of-Pocket Maximums are accumulated separately for In-Network and Out-of-Network Care. See the **Summary of Benefits and Coverage** to determine Your In-Network Coinsurance amount and In-Network Out-of-Pocket Maximum.

ANNUAL AND LIFETIME LIMITS

There is no annual or lifetime dollar limit for Covered Services that are Essential Health Benefits.

WHAT YOUR PLAN PAYS

In order to assist You in understanding the MAC language as described below, please refer to the definition of In-Network Provider contained in the Definitions section of this booklet.

MAXIMUM ALLOWED COST (MAC)

This section describes how We determine the amount of reimbursement for Covered Services. Reimbursement for services rendered by Out-of-Network Providers is based on this plan's MAC for the Covered Service that You receive.

You will be required to pay a portion of the MAC to the extent You have not met Your Deductible nor have a Copayment or Coinsurance. In addition, when You receive Covered Services from an Out-of-Network Provider, You may be responsible for paying any difference between the MAC and the Provider's actual charges. This amount can be significant.

When You receive Covered Services from an eligible Provider, We will, to the extent applicable, apply claim processing rules to the claim submitted for those Covered Services. These rules evaluate the claim information and, among other things, determine the accuracy and appropriateness of the procedure and diagnosis codes included in the claim. Applying these rules may affect Our determination of the MAC. Our application of these rules does not mean that the Covered Services You received were not Medically Necessary. It means We have determined that the claim was submitted inconsistent with procedure coding rules and/or reimbursement policies. For example, Your Provider may have submitted the claim using several procedure codes when there is a single procedure code that includes all of the procedures that were performed. When this occurs, the MAC will be based on the single procedure code rather than a separate MAC for each billed code.

If multiple procedures are done on the same day by the same doctor or healthcare provider, We may lower the payment for the second and any additional procedures. This is because paying 100% for those procedures would be considered a duplicate payment for parts of the main procedure that are included or incidental.

PROVIDER NETWORK STATUS

The allowed amount may vary depending upon whether the Provider is an In-Network or an Out-of-Network Provider.

For Covered Services performed by an In-Network Provider, the allowed amount for this plan is the rate the Provider has agreed with Alliant to accept as reimbursement for the Covered Services. Because In-Network Providers have agreed to accept the allowed amount as payment in full for that service, they should not send You a bill or collect for amounts above the allowed amount. However, You may receive a bill or be asked to pay all or a portion of the allowed amount to the extent You have not met Your Deductible or have a copayment or Coinsurance. Please call Client Services at (866) 403-2785 for help in finding an In-Network Provider or visit AlliantPlans.com. Providers who have not signed a contract with Us and are not in any of Our networks are Out-of-Network Providers.

For Covered Services You choose to receive from Out-of-Network Providers, the MAC for this plan will be one of the following as determined by Alliant:

- An amount based on Our Out-of-Network fee schedule/rate, which We have established at Our discretion, and which We reserve the right to modify from time to time, after considering one or more of the following: reimbursement amounts accepted by like/similar providers contracted with Alliant, reimbursement amounts paid by the Centers for Medicare and Medicaid Services for the same services or supplies, and other industry cost, reimbursement and utilization data; or an amount based on information provided by a third-party vendor, which may reflect one or more of the following factors: (1) the complexity or severity of treatment; (2) level of skill and experience required for the treatment; or (3) comparable providers' fees and costs to deliver care; or
- An amount negotiated by Us or a third-party vendor which has been agreed to by the Provider. This may include rates for services coordinated through case management; or
- An amount equal to the total charges billed by the Provider, but only if such charges are less than the MAC calculated by using one of the methods described above.

The MAC for Out-of-Network emergency medical services received in the state of Georgia is calculated as described in Title 33 of the Official Code of Georgia Annotated (OCGA) 33-20E-4, the Surprise Billing and Consumer Protection Act; with respect to emergency services, We will calculate the MAC as the greater of:

- The verifiable contracted amount paid by all eligible insurers for the provision of the same or similar services as determined by the Georgia Department of Insurance.
- The most recent verifiable amount agreed to by Alliant and the non-participating emergency medical provider for the provision of the same services during such time as such Provider was In-Network with Alliant.
- Such higher amount as Alliant may deem appropriate given the complexity and circumstances of the services provided.

For Out-of-Network emergency services received outside the state of Georgia, the MAC or QPA (Qualifying Payment Amount) is calculated as described in the federal No Surprises Act; with respect to emergency services, We will calculate the QPA using the lesser of billed charges or:

- The median contracted rate in 2019 for the same or similar service in the same geographic region, adjusted for inflation; or if not available,
- The amount listed in an applicable State All-Payer Claims Database (APCD) or other eligible database, such as Fair Health; or if not available,
- A derived amount for the purposes of submitting data in accordance with 45 CFR 153.710(c).

The amount paid does not include any amount of coinsurance, copayment, or deductible You may owe. Out-of-Network Providers of emergency services may bill You for these amounts in accordance with the terms of Your policy. If You receive a surprise bill for non-emergency medical services from an Out-of-Network Provider—and You did not actively choose that provider prior to receiving care—we calculate the Maximum Allowable Charge (MAC) as described above. Alliant reserves the right to request documentation from the Out-of-Network Provider to confirm whether You received services through no choice of Your own.

Choosing an In-Network Provider will likely result in lower Out-of-Pocket costs to You. Please call

Client Services at (866) 403-2785 for help in finding an In-Network Provider or visit Our website at AlliantPlans.com.

MEMBER COST SHARE

For certain Covered Services and depending on Your plan design, You may be required to pay a part of the MAC as Your cost share amount (e.g., Deductible, copayment, and/or Coinsurance).

Your cost share amount and Out-of-Pocket Maximum may vary depending on whether You received services from an In-Network or Out-of-Network Provider. Specifically, You may be required to pay higher cost sharing amounts or may have limits on Your benefits when using Out-of-Network Providers. Please see the **Summary of Benefits and Coverage** for Your cost share responsibilities and limitations or call Client Services at (866) 403-2785 to learn how Your plan's benefits or cost share amounts may vary by the type of Provider You use.

Alliant will not provide any reimbursement for Non-Covered Services. You will be responsible for the total amount billed by Your Provider for Non-Covered Services, regardless of whether such services are performed by an In-Network or Out-of-Network Provider. Both services specifically excluded by the terms of Your policy/plan and those received after benefits have been exhausted are Non-Covered Services. Benefits may be exhausted by exceeding, for example, calendar year day/visit limits. In some instances where Surprise Billing protections apply, You may only be asked to pay the lower In-Network cost sharing amount when You use an Out-of-Network Provider.

If You actively choose to see an Out-of-Network Provider, Your cost share may include Your Out-of-Network Deductible, Copayments, or Coinsurance up to and including the Provider's full billed charges.

AUTHORIZED SERVICES

In some circumstances, such as where there is no In-Network Provider available for the Covered Service, We may authorize the In-Network cost share amounts (Deductible, Copayment, and/or Coinsurance) to apply to a claim for a Covered Service You receive from an Out-of-Network Provider. In such circumstance, You must contact Us in advance of obtaining the Covered Service. If We authorize a Covered Service so that You are responsible for the In-Network cost share amounts, You may still be liable for the difference between the MAC and the Out-of-Network Provider's charge. Please contact Client Services at (866) 403-2785 for Authorized Services information or to request authorization.

Example:

You require the services of a specialty Provider; but there is no In-Network Provider for that specialty. You contact Us in advance of receiving any Covered Services, and We authorize You to go to an available Out-of-Network Provider for that Covered Service and We agree that the In-Network cost share will apply.

Your plan has a \$45 Copayment for Out-of-Network Providers and a \$25 Copayment for In-Network Providers for the Covered Service. The Out-of-Network Provider's charge for this service is \$500. The MAC is \$200.

Certificate of Coverage - PPO Individual/Family Plans

Because We have authorized the In-Network cost share amount to apply in this situation, You will be responsible for the In-Network Copayment of \$25 and Alliant will be responsible for the remaining \$175 of the \$200 MAC.

Because the Out-of-Network Provider's charge for this service is \$500, You may receive a bill from the Out-of-Network Provider for the difference between the \$500 charge and the MAC of \$200. Combined with Your In-Network Copayment of \$25, Your total out of pocket expense would be \$325.

COVERAGE AUTHORIZATION

AUTHORIZATION

Some benefits require authorization. To authorize a benefit or service, Your provider should call the Medical Management Department at (800) 865-5922. Authorizations are given for services based on Medical Necessity. Alliant also applies key medical management processes for urgent, concurrent, pre-service, and post-service review.

If You have questions about how a certain service is approved, call Alliant at (800) 403-2785. If You are deaf or hard of hearing, dial 711 for the National Relay Service. We will be happy to send You a general explanation of how that type of decision is made or send You a general explanation of the overall approval process upon request.

	Timeframe for Decision
Urgent Care Services Authorization	As soon as possible, but no more than 72 hours after receipt of the request for service. If more information is needed to make a decision, Alliant will notify You within 24 hours of the request for service of the needed information. Alliant will make a decision within 72 hours of receipt of the request for services regardless of the receipt of the requested additional information.
Pre-Service Authorization	Within seven (7) calendar days. Alliant may extend the seven (7) day period for an additional seven (7) calendar days because of matters beyond Alliant's control. If this is necessary Alliant will let You know in writing within the first seven (7) calendar days. If the delay is because Alliant needs more information to make a decision, You will have up to forty-five (45) calendar days to provide the needed information.
Concurrent Services Authorization	Within 24 hours of request for services involving Urgent Care Services if the request is received at least 24 hours prior to the expiration of the current authorization. For other requests, a decision will be made within seven (7) calendar days.
Post-Service Review	This is a medical review to determine whether a service already received is a Covered Service. A post-service review is handled in the same manner as a post-service appeal with a decision made within thirty (30) calendar days. See <i>"Complaints & Appeals"</i> .

Urgent Care Services in this section means any medical care or treatment to which the application of the time periods for making non-Urgent Care Services determinations (A) could seriously jeopardize Your life or health or Your ability to regain maximum function or (B) in the opinion of the attending Provider, would subject You to severe pain that cannot be adequately managed without the care or treatment that is the subject of the certification.

A listing of the benefits requiring Prior Authorization can be found on Our website: AlliantPlans.com or by calling Client Services at (866) 403-2785. The Prior Authorization list is subject to change.

BENEFITS

All Covered Services must be Medically Necessary whether provided through In-Network Providers or Out-of-Network Providers. Some Covered Services may require Prior Authorization, please call Client Services at (866) 403-2785 or visit AlliantPlans.com to confirm whether a specific benefit requires Prior Authorization.

ALLERGY CONDITIONS

Standard Medically Necessary testing and treatment for allergy conditions are covered (see "What is Not Covered" for non-standard tests that are considered a Non-Covered Service).

AMBULANCE SERVICE

Emergency ambulance services are a Covered benefit when they are considered Medically Necessary and at least one of the following criteria are met:

- You are transported by a state licensed vehicle that is designed, equipped, and used only to transport the sick and injured and staffed by Emergency Medical Technicians (EMT), paramedics, or other certified professionals. This includes ground, fixed wing, rotary wing or water transportation.
- You are taken:
 - From Your home, scene of an accident or medical emergency to a Hospital;
 - Between Hospitals, including when We require You to move from an Out-of-Network Hospital to and In-Network Hospital; or
 - Between a Hospital, Skilled Nursing Facility (ground transport only) or approved facility.

You must be taken to the nearest facility that can give care for Your condition. During an appeal review, We may approve benefits for transportation to a facility that is not the nearest facility. Benefits may include Medically Necessary treatment of sickness or injury by medical professionals during an ambulance service, even if You are not taken to a facility.

Out-of-Network Providers may bill You for charges that exceed the MAC for services that may be covered but are non-emergent.

GROUND AMBULANCE

Services are subject to Medical Necessity review by Alliant.

All scheduled ground ambulance services for non-emergency transports, not including to acute facility to acute facility transport, must be Medically Necessary. This may include transportation from a Hospital, Skilled Nursing Facility or Rehabilitation Facility to Your residence when Your condition requires skilled monitoring during transport with the services of an EMT attendant or other licensed healthcare practitioner.

AIR AND WATER AMBULANCE

Air ambulance services are subject to Medical Necessity review by Alliant. Alliant retains the right to select the air ambulance provider. This includes fixed wing, rotary wing or water transportation.

Air ambulance services for non-emergency Hospital to Hospital transports must be Medically Necessary.

HOSPITAL TO HOSPITAL AIR AMBULANCE TRANSPORT

Air ambulance transport is for the purposes of transferring from one Hospital to another Hospital and is a Covered Service if such air ambulance transport is Medically Necessary, for example, if transportation by ground ambulance would endanger Your health or the transferring Hospital does not have adequate facilities to provide the medical services needed. Examples of such specialized medical services that are generally not available at all types of facilities may include but are not limited to: burn care, cardiac care, trauma care, and critical care. Transport from one Hospital to another Hospital is covered only if the Hospital to which the patient is transferred is the nearest one with the medically appropriate facilities.

FIXED AND ROTARY WING AIR AMBULANCE

Fixed wing or rotary wing air ambulance may be Medically Necessary in exceptional circumstances. All of the criteria pertaining to emergency ambulance services must be met, as well as one of the following conditions:

- The Member's medical condition must require immediate and rapid ambulance transport to the nearest appropriate medical facility that could not have been provided by land ambulance;
- The point of pick-up is inaccessible by land vehicle;
- Great distances, limited time frames, or other obstacles are involved in getting the patient to the nearest hospital with appropriate facilities for treatment;
- The patient's condition is such that the time needed to transport a patient by land to the nearest appropriate medical facility poses a threat to the patient's health;
- Ambulance or medical transport services are considered eligible for coverage if the patient is pronounced dead after the ambulance is called, but before pick-up, or in route to the hospital.

Ambulance service providers may bill You for any coinsurance, copayment, or deductible You may owe according to the terms of Your policy. You are only required to pay the In-Network cost-sharing amount for Out-of-Network emergent air ambulance services, and that cost-sharing amount is applied to Your In-Network deductible.

The MAC for Out-of-Network emergent air ambulance services is calculated using the lesser of the provider's billed charges or the QPA (Quality Payment Amount).

ANESTHESIA SERVICES FOR CERTAIN DENTAL PATIENTS

General anesthesia and associated Hospital or ambulatory surgical facility charges are covered in conjunction with dental care provided to:

- Patients age seven or younger, or developmentally disabled;
- An individual for whom a successful result cannot be expected by local anesthesia due to a neurological disorder;
- An individual who has sustained extensive facial or dental trauma, except for a Workers' Compensation claim.

ASSISTED SURGERY

If Medically Necessary, services rendered by an assistant surgeon are covered in conjunction with a surgery which has been coordinated by Member's surgeon.

AUTISM

Autism means a developmental neurological disorder, usually appearing in the first three years of life, which affects normal brain functions and is manifested by compulsive, ritualistic behavior and severely impaired social interaction and communication skills.

This Contract shall provide benefits for the diagnosis of Autism in accordance with the conditions, limitations as to type and scope of treatment authorized for neurological disorders, exclusions, cost-sharing arrangements and Copayment requirements which exist in this Contract for neurological disorders.

This Contract provides for habilitative or rehabilitative services and other counseling or therapy services necessary to develop, maintain, and restore the functioning of an individual with Autism Spectrum Disorder (ASD).

BREAST CANCER PATIENT CARE

Covered Services include Inpatient care following a mastectomy or lymph node dissection for an appropriate length of stay as determined by the attending Physician in consultation with the Member. Follow-up visits are also included and may be conducted at home or at the Physician's office as determined by the attending Physician in consultation with the Member. Additional charges may apply. Mastectomy bras are covered, up to 3 per calendar year.

BREAST CANCER SCREENING

Covered services include imaging services annually including digital mammography, breast tomosynthesis, breast x-ray and breast MRI for women aged 40 and over, or 35 and over as recommended by a physician. Diagnostic and supplemental breast cancer screening is also a covered benefit. This screening is classified as preventive care and is provided at no cost to the Member when completed according to the recommended guidelines. For details, please refer to the preventive care guidelines at <https://alliantplans.com/providers/preventive-guidelines/>. BREAST

RECONSTRUCTIVE CARE

Covered Services include care following a mastectomy for reconstruction of the breast on which the mastectomy was performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, and prostheses and treatment of physical complications, including lymphedemas.

CHIROPRACTIC CARE

Your plan may include spinal manipulation and is subject to cost sharing. A calendar year visit limit may apply as outlined in the Summary of Benefits and Coverage.

CLINICAL TRIAL PROGRAMS FOR TREATMENT OF CHILDREN'S CANCER

Covered Services include routine patient care costs incurred in connection with the provision of goods, services, and benefits to Members who are Dependent children in connection with approved clinical trial programs for the treatment of children's cancer. "Routine patient care costs" means those Prior Authorized as Medically Necessary costs as provided in Georgia law (OCGA 33-24-59.1).

CLINICAL TRIAL PROGRAMS REQUIRED BY PPACA

Satisfied to the requirements below, Covered Services include routine patient care costs for qualifying Members participating in approved clinical trials for cancer and/or another life-threatening disease or condition. You will never be enrolled in a clinical trial without Your consent. To qualify for such coverage, You must:

- Be a Member;
- Be diagnosed with cancer or other life-threatening disease or condition;
- Be accepted into an approved clinical trial (as defined below);
- Be referred by an In-Network Provider; and
- Receive Prior Authorization from Alliant.

An approved clinical trial means a Phase I, Phase II, Phase III or Phase IV clinical trial that is conducted in relation to the prevention, detection or treatment of cancer or other life-threatening disease or condition and (1) the study is approved or funded by one or more of the following: the National Institutes of Health, the Centers for Disease Control and Prevention, the Agency for Health Care Research and Quality, the Centers for Medicare and Medicaid Services, the U.S. Department of Defense, the U.S. Department of Veterans Affairs, or the U.S. Department of Energy, or (2) the study or investigation is conducted under an investigational new drug application reviewed by the Food and Drug Administration, or (3) the study or investigation is a drug trial this is exempt from having such an investigational new drug application.

If You qualify, Alliant cannot deny Your participation in an approved clinical trial. Alliant cannot deny, limit or place conditions on its coverage of Your routine patient costs associated with Your participation in an approved clinical trial for which You qualify. You will not be denied or excluded from any Covered Services based on Your health condition or participation in a clinical trial. The cost of the medication or treatment that is the subject of the clinical trial is specifically excluded from coverage.

For Covered Services related to an approved clinical trial, cost sharing (i.e., Deductible, Coinsurance and Copayments) will apply the same as if the service was not specifically related to an approved clinical trial. In other words, You will pay the cost sharing You would pay if the services were not related to a clinical trial.

COLORECTAL CANCER EXAMINATIONS AND LABORATORY TESTS

Alliant follows the recommendation of the United States Preventive Task force, grade A and B to determine the ages for preventive colorectal screenings. Covered Services include colorectal cancer screening examinations and laboratory tests specified in the current American Cancer Society guidelines for colorectal cancer screening (which are not considered investigational). This screening is classified as preventive care and is provided at no cost to the Member when completed according to the recommended guidelines. For details, please refer to the

preventive care guidelines at <https://alliantplans.com/providers/preventive-guidelines/>.

COMPLICATIONS OF PREGNANCY

Benefits are provided for complications of pregnancy resulting from conditions requiring Hospital confinement when the pregnancy is not terminated and whose diagnoses are distinct from pregnancy but are adversely affected by pregnancy or are caused by pregnancy. Benefits for a normal or difficult delivery are not covered under this provision. Such benefits are determined solely by the Maternity Care section of this Contract. In-Network and Out-of-Network cost-sharing apply accordingly.

CONSULTATION SERVICES

Covered when the special skill and knowledge of a consulting Physician is required for the diagnosis or treatment of an illness or injury.

DIABETES

We provide coverage for medically necessary items and services that help manage diabetes. This includes:

- Diabetes-related equipment and supplies, such as blood glucose monitors, test strips, lancets, syringes, and insulin pumps;
- Pharmacological agents, like insulin and other medications used to treat diabetes;
- Outpatient diabetes self-management training and education, which teaches individuals how to monitor and control their condition;
- Nutritional therapy, including advice and meal planning support from a licensed dietitian or nutritionist.

These services are available for individuals with:

- Type 1 diabetes (insulin-dependent)
- Type 2 diabetes (insulin-using or non-insulin-using)
- Gestational diabetes (diabetes during pregnancy)

To be covered, these services must be prescribed by a physician. The training and education must be provided by a certified, registered, or licensed healthcare professional who has special training and expertise in treating people with diabetes.

DIALYSIS TREATMENT

Dialysis treatment is a Covered Service. If an Out-of-Network Provider is elected, then Out-of-Network benefits apply.

DURABLE MEDICAL EQUIPMENT

Your plan will pay the rental charge up to the lesser of the purchase price of the equipment or twelve (12) months of rental charges. In addition to meeting criteria for Medical Necessity, the equipment must also be used to improve the functions of a malformed part of the body or to prevent or slow further decline of the Member's medical condition. The equipment must be ordered and/or prescribed by a Physician and be appropriate for in-home use.

The equipment must meet the following criteria:

- It can stand repeated use;

- It is manufactured solely to serve a medical purpose;
- It is not merely for comfort or convenience;
- It is normally not useful to a person not ill or injured;
- It is ordered by a Provider;
- The Provider certifies in writing the Medical Necessity for the equipment.
 - The Provider also states the length of time the equipment will be required;
 - We may require proof at any time of the continuing Medical Necessity of any item;
- It is related to the patient's physical disorder.

EMERGENCY ROOM SERVICES/EMERGENCY MEDICAL SERVICES

Coverage is provided for emergency room care services rendered in a Hospital or independent freestanding emergency room for an emergency medical condition as described below. This includes care post-stabilization as part of a continued outpatient observation or inpatient stay with respect to the emergency visit. If You require emergency care, go to the emergency room or call 911.

A medical emergency is a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in one of the following conditions:

- Placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
- Serious impairment to bodily functions; or
- Serious dysfunction of any bodily organ or part.

A Copayment may be required for In-Network and Out-of-Network Care. Any applicable Copayment is waived if the Member is admitted to the Hospital through the emergency room. The Copayment and/or percentage payable are shown in the **Summary of Benefits and Coverage** and is the same for both In-Network and Out-of-Network Care. You cannot be balance-billed for Out-of-Network emergency services according to both state and federal surprise billing laws.

EYE CARE

A Member who seeks covered eye care may obtain such service directly from a participating ophthalmologist or optometrist who is licensed to provide eye care. Care is limited to medical conditions only, not routine vision care (except for children under age 19).

FERTILITY

Standard fertility preservation services are a covered benefit when infertility is the result of medically necessary treatment for cancer, sickle cell disease, or lupus. Covered services may include evaluations, lab tests, medications, procedures, cryopreservation of eggs, sperm, ovarian tissue, and storage of gametes for up to one year. Coverage may be subject to certain limits, such as age restrictions, lifetime caps per procedure, and exclusion of experimental treatments or long-term storage.

GENERAL ANESTHESIA SERVICES

Covered Services must be Medically Necessary and ordered by the attending Physician and

administered by another Physician who customarily bills for such services. The Covered Services must be connected to a procedure that is also a Covered Service. Anesthesia services administered by a Certified Registered Nurse Anesthetist (CRNA) are also covered.

Such anesthesia service includes the following procedures which are given to cause muscle relaxation, loss of feeling, or loss of consciousness:

- Spinal or regional anesthesia;
- Injection or inhalation of a drug or other agent (local infiltration is excluded).

HABILITATIVE SERVICES

We cover medically necessary habilitative services. These are health care services that help individuals learn, keep, or improve skills needed for daily living—like self-care, communication, and getting around—especially for those who haven't developed these skills yet due to a condition or disability.

Habilitative services can include physical therapy, occupational therapy, speech therapy, and certain medical equipment (Durable Medical Equipment). These services have a set number of visits allowed each calendar year. For details on these limits, please refer to the **Summary of Benefits and Coverage**.

HEARING AIDS

Hearing Aid means any nonexperimental and wearable instrument or device offered to aid or compensate for impaired human hearing that is worn in or on the body. The term Hearing Aid includes any parts, ear molds, repair parts, and replacement parts of such instrument or device, including, but not limited to, nonimplanted bone anchored hearing aids, nonimplanted bone conduction hearing aids, and frequency modulation systems. Personal sound amplification products shall not qualify as hearing aids.

If You purchased Your plan outside Georgia Access, this Contract shall provide benefits for Hearing Aids for children 18 years of age or under in accordance with the provisions of Georgia OCGA 33-24-59.21. This Contract provides for one Hearing Aid per hearing impaired ear not to exceed \$3,000.00 per Hearing Aid every 48 months, and Medically Necessary services and supplies on a continuous basis, as needed, during each 48-month coverage period, not to exceed \$3,000.00 per hearing impaired ear. This Contract shall provide these benefits in accordance with the conditions, limitations, exclusions, cost-sharing arrangements and Copayment requirements as outlined in the **Summary of Benefits and Coverage**. The Hearing Aid benefit ONLY applies to plans purchased outside Georgia Access.

HOME HEALTH CARE SERVICES

Home Health Care provides a program for a Member's care and treatment in the home. Your coverage is outlined in the **Summary of Benefits and Coverage**. A visit consists of up to four hours of care. The program consists of required intermittent skilled care, which may include observation, evaluation, teaching and nursing services consistent with the diagnosis, established and approved in writing by the Member's attending Physician. These services have calendar year visit limits. Plan limits are outlined in the **Summary of Benefits and Coverage**.

Note: Covered Services available under Home Health Care do NOT reduce outpatient benefits available under the Physical, Occupational, or Speech Therapy sections shown in this Contract.

Some special conditions apply:

- The Physician's certification statement and plan of care;
- Claims will be reviewed to verify that services consist of skilled care that is medically consistent with the diagnosis;
- A Member must be essentially confined at home.

Covered Services:

- Visits by an RN or LPN-Benefits cannot be provided for services if the nurse is related to the Member;
- Visits by a qualified physiotherapist or speech therapist and by an inhalation therapist certified by the National Board of Respiratory Therapy;
- Visits by a Home Health Care Nursing Aide when rendered under the direct supervision of an RN;
- Administration of prescribed drugs;
- Oxygen and its administration.

Covered Services for Home Health Care do not include:

- Food, housing, homemaker services, sitters, home-delivered meals; Home Health Care services which are not Medically Necessary or of a non-skilled level of care. Services and/or supplies which are not included in the Home Health Care plan as described;
- Services of a person who ordinarily resides in the patient's home or is a member of the family of either the patient or patient's spouse;
- Any services for any period during which the Member is not under the continuing care of a Physician;
- Convalescent or Custodial Care where the Member has spent a period of time for recovery of an illness or surgery and where skilled care is not required or the services being rendered are only for aid in daily living, i.e., for the convenience of the patient.
- Any services or supplies not specifically listed as Covered Services;
- Routine care of a newborn child;
- Dietitian services;
- Maintenance therapy;
- Private duty nursing care.

HOSPICE CARE SERVICES

Hospice benefits cover inpatient and outpatient services for patients certified by a Physician as terminally ill.

Your Contract provides Covered Services for inpatient and outpatient Hospice care under certain conditions as stated in the Summary of Benefits and Coverage. The Hospice treatment program must:

- Be recognized as an approved Hospice program by Alliant;
- Include support services to help covered family members deal with the patient's death; and
- Be directed by a Physician and coordinated by an RN with a treatment plan that:
 - Provides an organized system of homecare;
 - Uses a Hospice team; and
 - Has around-the-clock care available.

The following conditions apply:

- To qualify for Hospice care, the attending Physician must certify that the patient is not expected to live more than six months;
- The Physician must design and recommend a Hospice Care Program; and
- The Physician's certification statement and plan of care.

HOSPITAL SERVICES

For In-Network Care, Your Physician must arrange Your hospital admission.

INPATIENT

Inpatient Hospital Services:

- Inpatient room charges are Covered Services to include semiprivate room and board, general nursing care and intensive or cardiac care. If You stay in a private room, Covered Services are based on the Hospital's prevailing semiprivate room rate. If You are admitted to a Hospital that has only private rooms, Covered Services are based on the Hospital's prevailing room rate.

Services and Supplies:

- Services and supplies provided and billed by the Hospital while You receive Inpatient care, including the use of operating, recovery and delivery rooms. Laboratory and diagnostic examinations, intravenous solutions, basal metabolism studies, electrocardiograms, electroencephalograms, x-ray examinations, and radiation and speech therapy are also covered;
- Convenience or comfort items (such as radios, TV's, telephones, visitors' meals, etc.) are not covered.

Length of Stay:

- Determined by Medical Necessity.

OUTPATIENT

Outpatient Services:

- Your Contract provides Covered Services when the following outpatient services are Medically Necessary:
 - Pre-admission tests, surgery, diagnostic x-rays and laboratory services.
- In an effort to manage quality and cost for Our members, Alliant reserves the right to establish Preferred or In-Network Providers for certain services. To determine if a preferred Provider exists, it is the responsibility of the Member to verify the In-Network status of a Provider. Members may verify network status by visiting Our Find-A-Provider tool on AlliantPlans.com or calling Client Services at (866) 403-2785.
- Refer to Emergency Room Services/Emergency Medical Services definition.

HOW TO OBTAIN CARE AFTER NORMAL BUSINESS HOURS

If You need medical attention after normal office hours because You need Urgent or Emergency Medical Services, You can find an In-Network facility by contacting Client Services at (866) 403-2785 or visiting AlliantPlans.com. Normal office hours are 9am- 5pm (EST), Monday-Friday, excluding holidays.

Urgent Care means any medical care or treatment of a medical condition that (A) jeopardize Your life or health or Your ability to regain maximum function or (B) in the opinion of the attending Provider, would subject You to severe pain that cannot be adequately managed without care or treatment. Treatment of an Urgent Care medical problem is not life threatening and does not require use of an emergency room at a Hospital; and is not considered an emergency.

HOSPITAL VISITS

The Physician's visits to his or her patient in the Hospital. Covered Services are generally limited to one daily visit for each Physician during the covered period of confinement.

LICENSED MID-LEVEL PROVIDERS

Benefits are payable for Covered Services provided by licensed mid-level providers. Such providers include, but are not limited to, Nurse Practitioners (NP), Physician Assistant (PA), Physician Assistant Anesthetists (PAA), and Athletic Trainers (LAT) when performing services within their scope of practice as defined by the state of Georgia.

LICENSED SPEECH THERAPIST SERVICES

Services must be ordered and supervised by a Physician as outlined in the Summary of Benefits and Coverage. Services will be covered only to treat or promote recovery of the specific functional deficits identified. These services have calendar year visit limits. Plan limits are outlined in the **Summary of Benefits and Coverage**.

MATERNITY CARE (PRE- AND POST-NATAL CARE)

Covered Services include Maternity Care on the same basis as for any other type of care, subject to Your Contract's Copayment, Deductible and Coinsurance provisions. Maternity benefits are provided for a female Subscriber and any eligible female Dependent. Routine newborn nursery care is part of the mother's maternity benefits. Should the newborn require other than routine nursery care, the baby will be admitted to the Hospital in his or her own name (see "Changing Your Coverage" to add coverage for a newborn).

Under federal law, the Contract may not restrict the length of stay to less than the 48-hour or 96-hour period or require Prior Authorization for either length of stay. The length of hospitalization which is Medically Necessary will be determined by the Member's attending Physician in consultation with the mother. Should the mother or infant be discharged before 48 hours following a normal delivery or 96 hours following a cesarean section delivery, the Member will have access to two post-discharge follow-up visits within the 48-hour or 96-hour period. These visits may be provided either in the Physician's office or in the Member's home by a Home Health Care Agency. The determination of the medically appropriate place of service and the type of provider rendering the service will be made by the Member's attending Physician. For In-Network Physician's care for prenatal care visits, delivery and postpartum visit(s), only one Copayment (if applicable) will be charged.

MEDICAL AND SURGICAL CARE

Benefits include general care and treatment of illness or Injury, and surgical diagnostic procedures including the usual pre- and post-operative care.

MENTAL HEALTH CARE AND SUBSTANCE ABUSE TREATMENT

Hospital Inpatient Mental Health Care & Substance Abuse Treatment:

There are benefits for Hospital and Physician Inpatient charges. These benefits are covered for each Member as outlined in the **Summary of Benefits and Coverage**.

Hospital Inpatient Alcohol and Drug Detoxification:

There are benefits for acute alcohol and drug Detoxification. There are benefits for Hospital and Physician Inpatient charges. These benefits are covered for each Member as outlined in the **Summary of Benefits and Coverage**.

OSTEOPOROSIS

Benefits will be provided for qualified individuals for reimbursement for scientifically proven bone mass measurement (bone density testing) for the prevention, diagnosis and treatment of osteoporosis for Members meeting Alliant's criteria.

OUTPATIENT SERVICES

- Outpatient services include facility, ancillary, facility-use, and professional charges when received as an outpatient at a Hospital, Hospital freestanding facility, Retail Health Clinic, or other Provider as determined by Alliant. These facilities may include a non-hospital site or other Provider facility providing surgery, diagnostic, x-rays, laboratory services, therapy, or rehabilitation services.
- In an effort to manage quality and cost for Our Members, Alliant reserves the right to establish Preferred or In-Network Providers for certain services. To determine if a Preferred Provider exists, it is the responsibility of the Member to verify the In-Network status of a Provider. Members may verify network status by visiting Our Find-A-Provider tool on AlliantPlans.com or calling Client Services at (866) 403-2785.

See the **Summary of Benefits and Coverage** for any applicable Deductible, Coinsurance, Copayment and benefit limitation information.

OUTPATIENT SURGERY

Hospital outpatient department or Freestanding Ambulatory Facility charges are Covered Services as outlined in the **Summary of Benefits and Coverage**. In-Network and Out-of-Network cost-sharing apply accordingly.

OVARIAN CANCER SURVEILLANCE TESTS

- Covered Services are provided for at risk women 35 years of age and older. At risk women are defined as:
 - having a family history:
 - with one or more first or second-degree relatives with ovarian cancer;
 - of clusters of women relatives with breast cancer;
 - of nonpolyposis;
 - colorectal cancer; or
 - testing positive for BRCA1 or BRCA2 mutations.
- Surveillance tests means annual screening using:
 - CA-125 serum tumor marker testing;

PHYSICAL THERAPY, OCCUPATIONAL THERAPY, SPEECH THERAPY

Services by a Physician, a registered physical therapist (R.P.T.), or licensed occupational or speech therapist (O.T. and/or S.T.), limited to combined total maximum visits per calendar year as outlined in the **Summary of Benefits and Coverage**.

All services rendered must be within the lawful scope of practice of, and rendered personally by, the individual Provider.

PHYSICIAN SERVICES

You may receive treatment from an In-Network or Out-of-Network Provider except where indicated. However, payment is significantly reduced, or not covered, if services are received from an Out-of-Network Provider. Such services are subject to applicable Deductible and Out-of-Pocket requirements.

As an Alliant member, You can choose a provider from within Our network by visiting AlliantPlans.com. You also may contact Alliant Client Services at (866) 403-2785 and a representative will help You locate an In-Network Provider or Practitioner. After selecting a provider, You may contact the provider's office to schedule an appointment.

PREVENTIVE CARE

Preventive care services include outpatient and office visits designed to help prevent illness or detect health issues early, before symptoms appear. These services are covered at no cost for both adults and children who have no current symptoms or prior history related to the condition being screened for.

Examples of preventive care include routine check-ups, immunizations, cancer screenings (such as mammograms, pap smears, or colonoscopies), cholesterol tests, blood pressure screenings, and well-child visits.

If a Member has symptoms or has already been diagnosed with a medical condition, related services are no longer considered preventive and will be covered under diagnostic benefits instead. For more details on preventive care services, please visit <https://alliantplans.com/providers/preventive-guidelines/>.

In-Network

Preventive care services in this section shall meet requirements as determined by federal and state law. Many preventive care services are covered by Your policy with no Deductible, Copayments or Coinsurance from the Member when provided by an In-Network Provider. That means Alliant pays 100% of the allowed amount. These services fall under four broad categories as shown below:

1. Services with an "A" or "B" rating from the United States Preventive Services Task Force;
2. Immunizations for children, adolescents, and adults recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;
3. Preventive care and screenings for infants, children and adolescents as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and
4. Additional preventive care and screening for women provided for in the guidelines supported by the Health Resources and Services Administration.

You may call Client Services at (866) 403-2785 for additional information about these services. Information is also available at these federal government web sites:

<https://www.healthcare.gov/coverage/preventive-care-benefits/>

<http://www.cdc.gov/vaccines/>

<http://www.ahrq.gov/clinic/uspstfix.htm>

As new recommendations and guidelines for preventive care are published by the government sources identified above, they will become covered under this Contract for plan years which begin one year after the date the recommendation or guideline is issued or on such other date as required by the Affordable Care Act. The plan year, also known as a policy year for the purposes of this provision, is based on the calendar year. If an existing or new government recommendation or guideline does not specify the frequency, method, treatment, or setting for the provision of a preventive service, then Alliant may impose reasonable coverage limits on such preventive care as long as they are consistent with the Affordable Care Act and applicable Georgia law.

Out-Of-Network

Preventive care services are not paid at 100% when utilizing Out-of-Network Providers. They are paid at the MAC rate, and are subject to costs that include, but are not limited to, Deductibles, Coinsurance, or Provider balance billing amounts.

PROSTATE-SPECIFIC ANTIGEN TEST (PSA)

A PSA test is a Covered Service annually for men age of 45 and over. If ordered by a physician, males over the age of 40 may be covered for testing.

PROSTHETIC APPLIANCES

Prosthetic devices to improve or correct conditions resulting from an Accidental Injury or illness are covered if Medically Necessary and ordered by a Physician.

The following items related to prosthetic devices include artificial limbs and accessories, artificial eyes, lenses for eyes used after surgical removal of the lens(es) of the eye(s), arm braces, leg braces (and attached shoes), and external breast prostheses used after breast removal. Ankle and foot orthotics are covered to the extent that the orthotic extends from the foot to above the ankle.

The following items are **excluded**: corrective shoes (except when an orthopedic shoe is joined to a brace or for the care of the diabetic foot), all shoe inserts and orthotics (except for the care of the diabetic foot); night-splint; dentures; replacement teeth or structures directly supporting teeth, bite-plates, oral splints; electrical or magnetic continence aids (either anal or urethral); hearing aids or hearing devices; or implants for cosmetic purposes except for reconstruction following a mastectomy.

RECONSTRUCTIVE SURGERY

Reconstructive Surgery does not include any service otherwise excluded in this Certificate. (See "Limitations and Exclusions")

Reconstructive Surgery is covered only to the extent Medically Necessary:

- To restore a function of any bodily area which has been altered by disease, trauma, Congenital/developmental Anomalies or previous therapeutic processes;
- To correct congenital defects of a Dependent child that lead to functional impairment; and

- To correct medical complications or post-surgical deformity, unless the previous surgery was not a Covered Service.

REGISTERED FIRST NURSE ASSISTANT

Covered Services are provided for eligible registered nurse first assistants. Benefits are payable directly to a registered nurse first assistant if such services are payable to a surgical first assistant and such services are performed at the request of a Physician and within the scope of a registered nurse first assistant's professional license. No benefits are payable to a registered nurse first assistant who is employed by a Physician or Hospital.

SECOND MEDICAL OPINION

Covered Services include a second medical opinion by an In-Network Provider with respect to any proposed surgical intervention or any medical care that is a Covered Service.

SKILLED NURSING FACILITY CARE

These services have calendar year visit limits. Plan limits are outlined in the Summary of Benefits and Coverage. Claims will be reviewed to verify that services consist of Skilled Convalescent Care that is medically consistent with the diagnosis. Skilled Convalescent Care during a period of recovery is characterized by:

- A favorable prognosis;
- A reasonably predictable recovery time; and
- Services and/or facilities less intense than those of the acute general Hospital, but greater than those normally available at the patient's residence.

Covered Services include:

- Semiprivate or wardroom charges including general nursing service, meals, and special diets. If a Member stays in a private room, this program pays the amount of the Semiprivate Room rate toward the charge for the private room;
- Use of special care rooms;
- Pathology and Radiology;
- Physical or speech therapy;
- Oxygen and other gas therapy;
- Drugs and solutions used while a patient;
- Gauze, cotton, fabrics, solutions, plaster and other materials used in dressings, bandages, and casts. This benefit is available only if the patient requires a Physician's continuous care and 24-hour-a-day nursing care.

Benefits will not be provided when:

- A Member reaches the maximum level of recovery possible and no longer requires other than routine care;
- Care is primarily Custodial Care, not requiring definitive medical or 24-hour-a-day nursing service;
- Care is for chronic brain syndromes for which no specific medical conditions exist that require care in a Skilled Nursing Facility;
- A Member is undergoing senile deterioration, has an intellectual disability and or developmental delay and has no medical condition requiring care;
- The care rendered is for other than Skilled Convalescent Care;
- The benefit limit has been reached; see Summary of Benefits and Coverage or contact Client Services at (866) 403-2785 for benefit limitations.

SPECIALIST PHYSICIAN CARE (SPECIALTY CARE)

A Member may access Specialist Physicians; a PCP Referral is not needed. You can locate a Specialist Physician on AlliantPlans.com or by calling Client Services at (866) 403-2785.

TELEMEDICINE

The practice of telemedicine, by a duly licensed Provider, by means of audio, video or data communications (to include secured electronic mail) is a covered benefit.

Telemedicine is a type of telehealth where clinical services are provided through secure real-time audio, video, or other electronic communications. It allows healthcare providers to assess, diagnose, consult, treat, and manage a patient's care remotely, as they would in person.

Telemedicine can replace in-person visits for consultations, as long as there's real-time communication between the provider and the patient. The patient must be present and participating. Payment for telemedicine services is based on the negotiated rate or current MAC for the service provided.

TRANSPLANT ORGAN/TISSUE/BONE MARROW

Alliant's transplant network facilities are independent of Our Health Maintenance Organization network. Transplants that are provided at a Non-Alliant Transplant Network Facility, even if the Non-Alliant Transplant Network Facility is a participating provider, are not covered.

Covered Services include certain services and supplies not otherwise excluded in this Certificate and rendered in association with a covered transplant, including pre-transplant procedures such as organ harvesting (donor costs), post-operative care (including anti-rejection drug treatment, if Prescription Drugs are covered under the Contract) and transplant related chemotherapy for cancer limited as follows.

A transplant means a procedure or series of procedures by which an organ or tissue is either:

- Removed from the body of one person (called a donor) and implanted in the body of another person (called a recipient); or
- Removed from and replaced in the same person's body (called a self-donor).

A covered transplant means a medically appropriate transplant.

Human organ or tissue transplants for cornea, lung, heart or heart/lung, liver, kidney, pancreas or kidney and pancreas when transplanted together in the same operative session.

- Autologous (self-donor) bone marrow transplants with high-dose chemotherapy is considered eligible for coverage on a prior approval basis, but only if required in the treatment of:
 - Non-Hodgkin's lymphoma, intermediate or high-grade Stage III or IVB;
 - Hodgkin's disease (lymphoma), Stages IIIA, IIIB, IVA, or IVB;
 - Neuroblastoma, Stage III or Stage IV;
 - Acute lymphocytic or nonlymphocytic leukemia patients in first or subsequent remission, who are at high risk for relapse and who do not have HLA-compatible donor available for allogenic bone marrow support;
 - Germ cell tumors (e.g., testicular, mediastinal, retroperitoneal, ovarian) that are refractory to standard dose chemotherapy, with FDA-approved platinum compounds;

- Metastatic breast cancer that (a) has not been previously treated with systemic therapy, (b) is currently responsive to primary systemic therapy, or (c) has relapsed following response to first-line treatment;
- Newly diagnosed or responsive multiple myeloma, previously untreated disease, those in a complete or partial remission, or those in a responsive relapse Homogenic/allogenic (other donor) or syngeneic hematopoietic stem cells whether harvested from bone marrow peripheral blood or from any other source, but only if required in the treatment of:
 - Aplastic anemia;
 - Acute leukemia;
 - Severe combined immunodeficiency exclusive of acquired immune deficiency syndrome (AIDS);
 - Infantile malignant osteoporosis; Chronic myelogenous leukemia;
 - Lymphoma (Wiscott-Aldrich syndrome);
 - Lysosomal storage disorder;
 - Myelodysplastic syndrome.

Donor Costs means all costs, direct and indirect (including program administration costs), incurred in connection with:

- Medical services required to remove the organ or tissue from either the donor's or the self-donor's body;
- Preserving it; and
- Transporting it to the site where the transplant is performed.

In treatment of cancer, the term transplant includes any chemotherapy and related courses of treatment which the transplant supports.

For purposes of this benefit, the term transplant does not include transplant of blood or blood derivatives (except hematopoietic stem cells) which will be considered as non-transplant related under the terms of the Contract.

Facility Transplant means all Medically Necessary services and supplies provided by a health care facility in connection with a covered transplant except donor costs and antirejection drugs. Medically appropriate means the recipient or self-donor meets the criteria for a transplant established by Alliant.

Professional Provider transplant services means all Medically Necessary services and supplies provided by a professional Provider in connection with a covered transplant except donor costs and antirejection drugs.

Benefits for Travel:

Certain travel expenses incurred by a covered Member and support person are eligible for reimbursement. For pre-approved organ/tissue transplants, charges incurred for transportation, lodging, and food are reimbursable under this policy. Qualified and approved reimbursable travel expenses are allowed but are limited to a combined maximum of \$10,000 per covered organ/tissue transplant(s).

Travel benefits are not subject to deductibles (in or out of network) shown in the Summary of Benefits and Coverage, nor are they applied to the Out-of-Pocket Maximum (in or out of network).

Travel expenses for the person receiving the transplant include charges for:

1. Transportation to and from the transplant site. If a personal vehicle is used, then the mileages reimbursed according to the IRS standard mileage rate for medical purposes effective on the date of travel. If a rental vehicle is used, then the cost of the rental car plus fuel per receipt will be reimbursed. Mileage is not applicable if renting a car;
2. Lodging while at or traveling to and from the transplant site. Lodging charges may not exceed the maximum lodging rate established by the United States General Services Administration for the county in which the covered Member is receiving approved transplant-related services;
3. Food while at or traveling to and from the transplant site. Daily per-diem rate per person, based on the United States General Services Administration per diem Meals & Incidental Expenses rate valid on the date of the transplant, for the county in which the covered Member is receiving approved transplant-related services.

By way of example, but not of limitation, travel expenses will not include any charges for:

- a. Transplant travel benefit costs incurred within 200 miles in one direction from the Member's home
- b. Laundry bills
- c. Telephone bills
- d. Alcohol or tobacco products
- e. Air transportation charges which exceed coach class rates
- f. Car rentals charges above the economy rate
- g. Any food charges above the per person per diem rate
- h. Any lodging charges above the maximum lodging rate

These travel benefits are only available for covered members that are recipients of an organ/tissue transplant. No travel benefits are available for donors. Please contact Client Services at (866) 403-2785 for more information.

Benefits for Antirejection Drugs:

For antirejection drugs following the covered transplant, Covered Services will be limited to Prescription Drugs, if any, otherwise covered under the Contract.

Prior Authorization Requirement:

All transplant procedures must be Prior Authorized for type of transplant and be Medically Necessary and not Experimental or Investigational according to criteria established by Alliant. To Prior Authorize, call (800) 865-5922. The Prior Authorization requirements are a part of the benefit administration of the Contract and are not a treatment recommendation. The actual course of medical treatment the Member chooses remains strictly a matter between the Member and his or her Physician.

Your Physician must submit a complete medical history, including current diagnosis and name

of the surgeon who will perform the transplant. The surgery must be performed at an Alliant-approved Transplant Center. The donor, donor recipient, and the transplant surgery must meet required medical selection criteria as defined by Alliant.

If the transplant involves a living donor, benefits are as follows:

- If a Member receives a transplant and the donor is also covered under this Contract, payment for the Member and the donor will be made under each Member's Coverage;
- If the donor is not covered under this Contract, payment for the Member and the donor will be made under this Contract but will be limited by any payment which might be made under any other hospitalization coverage plan;
- If the Member is the donor and the recipient is not covered under this Contract, payment for the Member will be made under this Contract limited by any payment which might be made by the recipient's hospitalization coverage with another company. No payment will be made under this Contract for the recipient.

URGENT CARE SERVICES

Covered Services rendered at Urgent Care Centers are covered as outlined in the **Summary of Benefits and Coverage**. Urgent Care means any medical care or treatment of a medical condition that (A) could seriously jeopardize Your life or health or Your ability to regain maximum function or (B) in the opinion of the attending Provider, would subject You to severe pain that cannot be adequately managed without care or treatment. Treatment of an Urgent Care medical problem is not life threatening and does not require use of an emergency room at a Hospital; and is not considered an emergency.

Please see the Limitations and Exclusions section for Non-Covered Services.

OUTPATIENT PRESCRIPTION DRUG PROGRAM

This plan uses a Pharmacy Benefits Manager (PBM) for the administration of out-patient prescription drug benefits. Prime Therapeutics, LLC is the PBM for Alliant Health Plans. For the most up-to-date information about Your Prescription Benefit Program, call Prime Member Services at (844) 451-8288.

The Prime Therapeutics Pharmacy network includes local and retail pharmacies throughout the United States. Members may obtain Prescription Drug and pharmacy assistance by calling Prime Member Services at (844) 451-8288.

The plan will provide coverage for drugs, supplies, supplements and administration of a drug (if such services would not otherwise be excluded from coverage) when prescribed by a licensed and qualified Provider and obtained at a participating pharmacy. The plan uses a drug formulary, which is a list of Prescription Drugs that are covered by the plan. The drug formulary includes brand-name and generic medications that have undergone a careful review by a committee of practicing physicians and pharmacists. This committee reviews new and existing medications for safety and efficacy, and decides which medications provide quality treatment at the best value. While the drug formulary is intended to provide comprehensive coverage of Your prescription medication needs, there are some products that are not covered or have limited availability. For medications that are not on the formulary or are not covered by Your prescription benefit program, talk to Your physician about alternative medications. If You have questions regarding the drug formulary or regarding Your Prescription Drug plan, call Prime Member Services at (844) 451-8288 or visit Our website at AlliantPlans.com to view the drug formulary. Additional information regarding Prescription Drug limitations and exclusions can be found in the Exclusions section of this Certificate.

Your benefit design as shown in the **Summary of Benefits and Coverage** will determine the copayment or Coinsurance of Your Prescription Drug program for preferred formulary drugs and non-preferred drugs that are listed on the drug formulary. For prescription drugs and diabetic supplies rendered by a pharmacy, the MAC is the amount determined by Us using Prescription Drug cost information provided by the PBM. Where copayments exist, the copayment is expressed as a single fill or for a 31-day supply, whichever is less. Where multiple month fills (90-days for example) are made available, copayment would be required for each month (3 copayments for a 90-day fill at a retail pharmacy OR 2.5 copayments for a 90-day fill adding mail-order pharmacy).

At the time the prescription is dispensed; present Your Identification Card at the In-Network pharmacy. The In-Network pharmacy will complete and submit the claim for You. If You do not go to an In-Network pharmacy, You will need to submit the itemized bill to be processed.

BENEFITS

The Prescription Drug program provides coverage for drugs which, under federal law, may only be dispensed with a prescription written by a Physician.

This program allows for refills of a prescription within one year of the original prescription date, as authorized by Your Physician and in accordance with applicable state and federal laws. A limited number of Prescription Drugs require Prior Authorization for Medical Necessity. Prior Authorization is a requirement that Your physician obtain approval to prescribe a specific medication for You. We review requests for these selected drugs to help ensure appropriate and safe use of medications for Your medical condition(s). If Prior Authorization is not approved, then the designated drug will not be eligible for coverage. For a list of select medications that require Prior Authorization, please contact Prime Member Services at (844) 451-8288.

Covered Services May Include:

Retail prescription medications that have been prescribed by a Provider. Retail Prescription Drugs shall, in all cases, be dispensed per the drug formulary for prescriptions written and filled In-Network. Only those Prescription Drugs included in the Drug Formulary, as amended from time to time by Alliant, may be Covered Services, except as noted below or otherwise provided in the Drug Formulary.

Specialty Drugs

Specialty Drugs are typically high-cost, injectable, infused, oral or inhaled medications that generally require close supervision and monitoring of their effect on the patient by a medical professional. Specialty Drugs often require special handling such as temperature-controlled packaging and overnight delivery and are often unavailable at retail pharmacies. Most Specialty Drugs require Prior Authorization. You may obtain the list of Specialty Drugs and contracted Specialty Pharmacies by contacting Prime Member Services at (844) 451-8288 or online at AlliantPlans.com.

You or Your Physician may order Your Specialty Drugs from a number of Specialty Pharmacies. To obtain a Specialty Drug for home use, You must have a prescription drug order; a written or oral order of a physician for a drug, an electronic visual image prescription drug order, or an electronic data prescription drug order.

Specialty Pharmacies may deliver Your Specialty Drug prescriptions via common overnight carrier and are shipped directly to You.

Additionally, Your Copayment and/or Coinsurance may be prorated to support the method of distribution and treatment. If a Provider charges an administration fee for Specialty Drugs, that amount would be separate from the cost of the medication. Charges for drug administration are considered medical services which are subject to the Copayment, Coinsurance and percentage payable provisions as explained in the Summary of Benefits and Coverage.

Alliant Health Plans partners with Prime Therapeutics because We are all dedicated to providing quality service and personalized care. Together, We make it easy for You to quickly get Your specialty medications while providing additional support to help You stay on track. We will stay in touch over the course of Your therapy and will call with monthly refill reminders and address any questions You may have about Your treatment. In addition, You also have access to many helpful services:

- **Insurance specialists** to help You get the most out of Your benefits;
- **Clinical programs** to help manage Your condition;
- **Educational materials about Your condition or medication**, including at-home guides;
- **Free delivery** to Your home or another address within two days of ordering;
- **Important supplies** such as syringes and needles;
- **Highly trained pharmacists and nurses** available toll-free to answer any questions;
- **Online member portal** where You can request refills and learn more about Mail Order and Specialty Pharmacy services.

TIER ASSIGNMENT PROCESS

We have either established or delegated responsibility for this process to a Pharmacy and Therapeutics (P&T) Committee, consisting of health care professionals, including nurses, pharmacists, and physicians. The purpose of this committee is to assist in determining clinical appropriateness of drugs, determining the tier assignments of drugs, and advising on programs to help improve care. Such programs may include, but are not limited to, drug utilization programs, Prior Authorization criteria, therapeutic conversion programs, cross-branded initiatives, step-therapy protocols, drug profiling initiatives and the like. Some of these programs will require additional information from Your doctor in order to meet requirements. For more information about these programs and how Alliant Health Plans administers them, please call Client Services at (866) 403-2785.

The determination of tiers is made by Alliant based upon clinical decisions provided by the P&T Committee, and where appropriate, the cost of the drug relative to other drugs in its therapeutic class or used to treat the same or similar condition; the availability of over-the-counter alternatives; and where appropriate, certain clinical economic factors.

We retain the right at Our discretion to determine coverage for dosage formulations in terms of covered dosage administration methods (for example, by oral, injectable, topical, or inhaled) and may cover one form of administration and exclude or place other forms of administration in another tier.

Drug Tiers

The amount You will pay for a Prescription Drug depends on the tier of the drug You receive. Refer to Your **Summary of Benefit and Coverage** to determine Your Copayment, Coinsurance and Deductible (if any) amounts. Prescription Drugs will always be dispensed as ordered by Your Physician. You may request, or Your Physician may order, the Brand Name Drug.

However, if a Generic Drug is available, You will be responsible for the difference in the allowable charge between the Generic and Brand Name Drug, in addition to Your generic Copayment. The difference You will be charged between the two drug costs does not include the Copayment, if applicable. This difference is referred to as a DAW (Dispense as Written) Penalty.

Example of DAW Penalty: Your physician orders a 30-day supply of the Brand Name Drug Coumadin, which has a cost of \$75. The Generic Drug Warfarin is available for \$5 for a 30-day supply this is a \$70 difference. Your Brand Name Drug Copayment is \$10 and if You elect to use

the Coumadin in place of the Warfarin, Your cost will be \$80. (The dollars listed are for example only and are not representative of the actual cost of these drugs.)

By law, Generic and Brand Name Drugs must meet the same standards for safety, strength, and effectiveness. Using generics generally saves money and provides the same quality. We reserve the right, in Our sole discretion, to remove certain higher cost Generic Drugs from this policy.

- **Generic (G)** drugs generally have the lowest cost-share. This tier will contain low-cost or preferred medications. This tier may include generic, single-source brand drugs, or multi-source brand drugs.
- **Preferred Brand (PB)** drugs will have a higher cost-share than Generic drugs. This tier will contain preferred medications that generally are moderate in cost. This tier may include generic, single-source, or multi-source brand drugs.
- **Non-Preferred Brand (NPB)** drugs will have a higher cost-share than Preferred Brand drugs. This tier will contain non-preferred or high-cost medications. This tier may include generic, single-source brand drugs, or multi-source brands drugs.
- **Specialty (SP)** drugs will have a higher cost-share than Non-Preferred Brand drugs. This tier will contain specialty medications. This tier may include generic, single-source brand drugs, or multi-source brands drugs.
- **Zero-Cost Share (also indicated on the formulary as Healthcare Reform (AC))** drugs will not have cost sharing. This tier will contain drugs covered under the Preventive Guidelines of the Patient Protection and Affordable Care Act. This tier may include generic, single-source brand drugs, or multi-source brands drugs.

DRUG FORMULARY

A Member shall be entitled, upon request, to a copy of the Drug Formulary, which is also available on Our website: AlliantPlans.com. You can also contact Client Services by calling (866) 403-2785 to request a printed copy.

Alliant may only modify the drug formulary for the following reasons:

- Addition of new drugs, including generics, as they become available.
 - Removal of drugs from the marketplace based on either FDA guidance or the manufacturer's decision.
 - Re-classification of drugs from formulary preferred to formulary non-preferred or vice versa.
 - All drug re-classifications are overseen by an independent Physician review committee.
- Changes can occur:
- Based on new clinical studies indicating additional or new evidence that can either benefit the patient's outcome or that identifies potential harm to the patient;
 - When multiple similar drugs are available such as other drugs within a specific drug class (for example anti-inflammatory drugs, anti-depressants or corticosteroid asthma inhalers);
 - When a Brand Name Drug loses its patent and generics become available;
 - When Brand Name Drugs become available over the counter; or
 - When drugs are re-classified to non-formulary status due to the availability of Therapeutic/Clinically Equivalent drugs including over the counter drugs.

Similar drugs mean drugs within the same drug class or type. Therapeutic/Clinically Equivalent drugs are drugs that can be expected to produce similar therapeutic outcomes for a disease or condition.

You will be notified in writing of drugs changing to non-formulary status at least 30 days prior to the effective date of the change if You have had a prescription for the drug within the previous 12 months of coverage under this plan. Drugs considered for non-formulary status are only those with Therapeutic/Clinically Equivalent alternatives.

You may use the Non-Formulary Drug Exception process to request a non-formulary drug. If Your Exception request is denied, You may exercise Your right to appeal. For Information regarding either the Exception or appeals process, please call Prime Member Services at (844) 451-8288. Georgia law allows You to obtain, without penalty and in a timely fashion, specific drugs and medications not included in the drug formulary when:

- You have been taking or using the non-formulary prescription drug prior to its exclusion from the formulary and We determine, after consultation with the prescribing Physician, that the Drug Formulary's Therapeutic/Clinically Equivalent is or has been ineffective in the treatment of the patient's disease or condition; or
- The prescribing Physician determines that the drug formulary's Therapeutic/Clinically Equivalent drug causes, or is reasonably expected to cause, adverse or harmful reactions in the patient.

SPECIALTY PHARMACY PROGRAMS

From time to time We may initiate various programs to encourage Members to utilize more cost-effective or clinically effective drugs including, but not limited to, generic drugs, over-the-counter items, or preferred products. Such programs may involve reducing or waiving Copayments or Coinsurance for certain drugs or preferred products for a limited period of time.

Off-Label Drugs

When prescribed for an individual with a life-threatening or chronic and disabling condition or disease benefits are provided for the following:

- Off-label drugs; and
- Medically Necessary services associated with the administration of such a drug.

An off-label drug is one that is prescribed for a use that is different from the use for which that drug has been approved for marketing by the U.S. Food and Drug Administration (FDA).

All off-label drugs must be pre-approved by Alliant Health Plans.

OTHER PROGRAM PROVISIONS

Should the Member, on his or her own accord, choose a Brand Name Drug over a generic drug, regardless of whether a generic equivalent is available and even if the Physician orders the drug to be "dispensed as written," the Member will pay the Copayment for the Brand Drug as outlined in the Summary of Benefits and Coverage, PLUS the difference in the cost of the two drugs.

Medical Pharmacy Benefit

Your Alliant Health Plan covers prescription drugs—including specialty medications—that must be administered by a licensed provider during a doctor's visit, home health visit, or outpatient

procedure. These include:

- Infusion therapies
- Chemotherapy
- Blood products
- Injectable medications requiring provider administration

This coverage applies only when the drug is ordered and administered by a provider in a medical setting. These medications are not found on the drug formulary and are paid through your medical benefit and not through your pharmacy benefit. Most of these drugs will require a Prior Authorization. For a list of medications covered under the medical pharmacy benefit, please contact Prime Medical Pharmacy Services at (800) 424-1799 Option 3, Option 2, Option 1.

Review of FDA-Approved Medications for Experimental or Investigational Use

Alliant Health Plans may review certain FDA-approved medications to determine whether they are considered **Experimental or Investigational**, even if they have received FDA authorization. This review may apply in cases where:

- The medication is approved under **provisional, accelerated, or emergency pathways**
- The medication's **risk-benefit profile** is uncertain or evolving
- The medication demonstrates a **low or questionable Quality-Adjusted Life Year (QALY)** impact
- There is **insufficient evidence** of clinical effectiveness or long-term safety

Coverage decisions are based on current clinical guidelines, peer-reviewed literature, and Alliant's medical policy criteria. Inclusion on the formulary or receipt of FDA approval does not guarantee coverage under your plan.

OUTPATIENT PRESCRIPTION DRUG BENEFITS DO NOT INCLUDE THE FOLLOWING:

- Prescription Drug products for any amount dispensed which exceeds the FDA clinically recommended dosing schedule;
- Prescription Drugs received through an Internet pharmacy provider or mail-order provider except for an In-Network mail order provider;
- Newly approved FDA drugs that have not been approved and made available in the US market for at least 180 days;
- Non-legend vitamins;
- Over-the-counter items;
- Cosmetic drugs;
- Appetite suppressants;
- Weight loss products;
- Diet supplements;
- Syringes (for use other than insulin) except when in coordination with an approved injectable;
- Injectables (except with Prior Authorization as required);
- The administration or injection of any Prescription Drug or any drugs or medicines;
- Prescription Drugs which are entirely consumed or administered at the time and place where the prescription order is issued;
- Prescription refills in excess of the number specified by the Physician, or any refill dispensed after one year from the date of the prescription order;
- Prescription Drugs for which there is no charge;

- Charges for items such as therapeutic devices, digital therapeutics, artificial appliances, or similar devices, regardless of their intended use;
- Prescription Drugs for use while an Inpatient or Outpatient of a Hospital;
- Prescription Drugs provided for use in a convalescent care facility or nursing home which are ordinarily furnished by such facility for the care and treatment of Inpatients;
- Charges for delivery of any Prescription Drugs;
- Drugs and medicines which do not require a prescription, and which are not Prescription Drugs;
- Prescription Drugs provided by a Physician whether or not a charge is made for such Prescription Drugs;
- Prescription Drugs which are not Medically Necessary or which We determine are not consistent with the diagnosis (See the Off-Label Drugs section for exceptions);
- Prescription Drugs which We determine are not provided in accordance with accepted professional medical standards in the United States;
- Any services or supplies, which are not specifically listed as covered under this Prescription Drug program;
- Prescription Drugs which are Experimental or Investigational in nature as explained in the General Limitations and Exclusions section;
- Prescription medicine for nail fungus except for immunocompromised or diabetic patients;
- Non-formulary drugs except as described in this Prescription Drug Program section.

PEDIATRIC VISION BENEFITS

This section describes the services and supplies available to covered persons up to but not including the age of 19. These services and supplies must be provided and billed by Providers and must be Medically Necessary unless otherwise specified.

The following Routine Vision Care Services are covered:

Vision Examinations – Alliant will cover comprehensive examination components as follows:

- A case history
- General patient observation
- Clinical and diagnostic testing and evaluation
- Inspection of conjunctivae and sclera

GENERAL INFORMATION

ACTS BEYOND REASONABLE CONTROL (FORCE MAJEURE)

Should the performance of any act required by this coverage be prevented or delayed by reason of any act of God, strike, lock-out, labor troubles, restrictive government laws or regulations, or any other cause beyond a party's control, the time for the performance of the act will be extended for a period equivalent to the period of delay, and non-performance of the act during the period of delay will be excused. In such an event, however, all parties shall use reasonable efforts to perform their respective obligations.

BALANCE BILLING – When a healthcare provider bills You for the difference between what Your insurance pays and what they charge for a service.

In-Network Providers are prohibited from balance billing. In-Network Providers have signed an agreement with Us to accept a predetermined allowed amount for Covered Services rendered to a Member. A Member is not liable for fees in excess of the allowed amount for a Covered Service, except what is due under the Contract, e.g., copayments, Deductibles or Coinsurance.

Out-of-Network Providers are not under an agreement with Alliant and may bill You for fees in excess of the MAC. Non-Covered Services are the sole responsibility of the Member when received from any Provider regardless of network status unless the services are subject to federal or state surprise billing laws.

CARE RECEIVED OUTSIDE THE U.S.

Non-emergency care is not a covered service outside the United States. You will receive Contract benefits for only emergency care and/or treatment received outside the United States. Contract provisions will apply. Any care received must be a Covered Service. Please pay the provider of service at the time You receive treatment and obtain appropriate documentation of services received including bills, receipts, letters and medical narrative. This information should be submitted with Your claim. All services will be subject to appropriateness of care. We will reimburse You directly.

Payment will be based on the MAC. You may not assign benefits to foreign providers or facilities.

COORDINATION OF BENEFITS (COB) – Is a process used when You have more than one insurance plan to make sure You don't get paid more than the total cost of Your medical care. It helps determine which insurance pays first and how much each will cover.

Coverage under this plan is always secondary to any Group Coverage. Whenever the benefits under any other plan are payable without regard to benefits payable under this plan, this plan will be secondary. Services that are not eligible for benefits under both plans will not be subject to coordination of benefits.

Each non-group plan determines its order of benefits using the first of the following rules that apply:

Rule (1) Determining Primary Versus Secondary Coverage for the Insured

If the Subscriber of this plan is also the insured of another insurance company's individual plan, the longer plan rule applies. This means the plan, which covered the person longer, pays benefits first as the primary carrier. The plan, which covered that person for the shorter time, pays benefits as the secondary carrier. If the two individual plans are effective on the same day, We will be the secondary carrier. If both Alliant and the other insurance carrier claim to be secondary and the other carrier demonstrates its denial of primary responsibility, this plan will be primary.

Rule (2) Determining Primary Versus Secondary Coverage for Non-Dependent or Dependent

The plan that covers the person other than as a Dependent, for example as an employee, Member, policyholder, subscriber or retiree is the primary plan and the plan that covers the person as a Dependent is the secondary plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the plan covering the person as a Dependent, and primary to the plan covering the person as other than a Dependent (e.g. a retired employee), then the order of benefits between the two plans is reversed so that the plan covering the person as an employee, member, policyholder, subscriber or retiree is the secondary plan and the other plan is the primary plan.

Rule (3) Dependent Children Dual Coverage and the Birthday Rule

When Dependent children are enrolled and eligible for coverage by another plan, the primary plan will be the plan of the parent whose birthday falls earlier in the calendar year. The month and day are considered, regardless of the birth year. This is termed the Birthday Rule. For example: Father's birth date is December 9th and Mother's birth date is February 4th. The mother's plan would be primary for the children because her birthday falls first in the calendar year.

Rule (4) Dependents of Divorced Parents

If the parent with custody of the covered children has not remarried, this parent's plan provides primary benefits and the parent without custody provides secondary benefits. If the parent with custody has remarried, this parent's plan still provides primary benefits, the stepparent's plan provides secondary benefits, and the parent without custody provides any balance of benefits. When there is a divorce decree, which assigns financial responsibility for health care of Dependent children, the decree will determine who must provide primary benefits for the children.

Rule (5) Longer Policy Rule

If the primary carrier cannot be determined by the above rules, the plan that has covered the Dependent longer will be the primary plan. Some insurance companies designate a father's plan as the primary plan for children. If We must coordinate coverage with a plan that follows this rule, the father's plan will be primary.

Coordination with Medicare

Unless federal law requires the plan to be the primary payor, the benefits under This plan for Members age 65 and older, or Members otherwise eligible for Medicare, do not duplicate any benefit Members are entitled to under Medicare. Where Medicare is the responsible payor, all amounts for services that have been paid for by Us that should have been paid for by Medicare

shall be reimbursed to Us by or on behalf of the Members.

FILING AND PAYMENT OF CLAIMS

You are responsible for giving Your Provider Your correct health insurance policy information, so claims can be filed properly. Always make certain You have Your Identification Card with You. Be sure that Hospital or Physician's office personnel copy Your name, Group and Member numbers accurately when completing forms relating to Your coverage. Based on the health coverage information You provide; Your Provider will submit claims to Us for payment.

If You are hospitalized at an Out-of-Network Hospital, the claim for Hospital services is usually handled in the same manner as with an In-Network Hospital and the Hospital files the claim. It may, however, be necessary for You to pay the Hospital or attending Physician for his or her services and then submit an itemized statement to Us.

If You need to submit a claim for services or reimbursement for services You had to pay, You must submit a claim form. You can obtain a blank claim form by visiting AlliantPlans.com or calling Client Services at (866) 403-2785.

- You have one-hundred and eighty (180) days from the date of service to submit a properly completed claim form with any necessary reports and records or Your claim may be denied.
- Payment of claims will be made as soon as possible following receipt of the claim, unless more time is required to obtain incomplete or missing information. In which case, We will notify You within fifteen (15) working days of receipt for electronic claims and thirty (30) calendar days of receipt for paper claims of the reason for the delay and list all information needed to continue processing Your claim.
- After this information is received by Us, claims processing will be completed during the next fifteen (15) working days for electronic claims and thirty (30) calendar days for paper claims.
- We shall pay interest at the rate of 12% per year to You or Your assigned Provider if We do not meet these requirements.

FINANCIAL INCENTIVES

Medical Management decisions are based on what's medically necessary, Your benefits, individual needs, and the local healthcare system. We do not offer rewards or pay doctors or providers for denying coverage, and Our staff does not receive incentives to make decisions that limit care.

FRAUD OR MISREPRESENTATION

Fraudulent statements and/or intentional misrepresentation on application forms, claims, Identification Cards or other identification to obtain services or a higher level of benefits are prohibited. This includes, but is not limited to, the fabrication and/or alteration of a claim, Identification Card or other identification. Misrepresentation involving all media (paper or electronic) may invalidate any payment or claims for services and be grounds for rescinding coverage. This includes fraudulent acts to obtain medical services and/or Prescription Drugs.

Unauthorized use of Your Identification Card, by You or an unauthorized person, or if You fraudulently use the Identification Card of another covered person, including but not limited to the use of card before coverage is in effect or after coverage has ended. Under these circumstances, the person who receives the services provided by misuse of the Identification

Card will be responsible for payment of those services. Fraudulent misuse could also result in termination of the coverage.

MEDICAL BILL REVIEW (MBR) AND CLAIM AUDIT PROVISION

All health care providers must submit Clean Claims. Alliant reserves the right to request and review medical records in order to allow for the determination of benefits according to the Contract. In accordance with Alliant's policies and procedures, no benefits will be payable by Alliant if the health care provider does not submit a Clean Claim, obtain required Prior Authorization approvals, and submit upon request complete/legible itemization and complete/legible medical records.

At Alliant's discretion, all claims are subject to audit by Alliant or by an independent bill review firm and/or claim auditor. Alliant's medical bill audit may be performed with or without records, and the review is not subject to waiver by any third-party agreement including, but not limited to, any Provider Network Agreement(s), unless specifically prohibited, or other re-pricing arrangements, or the guidelines of any health care provider (e.g., physician, hospital, or other facility).

Alliant will evaluate Clean Claims to ensure that the charges are correct and proper, billed using the most accurate and appropriate Current Procedural Terminology (CPT), International Classification of Diagnosis (ICD), Healthcare Common Procedure Coding System (HCPCS) and Revenue codes, and if applicable, documented in the medical records.

All Contract/claim adjudication determinations will be made using Alliant's Policies and Procedures that are based on the coding and billing guidelines of the American Medical Association, the CMS/Federal Government's guidelines for proper coding and billing, including, but not limited to, the CMS Provider Billing and/or Reimbursement Guidelines, the National Correct Coding Initiative (NCCI) guidelines, the CMS Physician Fee Schedule (PFS) Relative Value File, and other Federal/clinical acceptance or coverage guidelines published by the Food and Drug Administration (FDA), National Comprehensive Cancer Network (NCCN), and/or the Federal National Library of Medicine-National Institute of Health.

As a result of any claim audit/review, Alliant will not provide benefits for services and supplies that:

1. Are not ordered by a physician;
2. Are not documented in patient's medical record(s);
3. Do not require a physician order;
4. Are routinely ordered/provided as a general clinical requirement of the physician or facility, rather than for documented specific medical need of the patient;
5. Are routine and unbundled from the global room charge/service, unbundled from any global charge/service or a professional charge(s) that is already considered separately reimbursable;
6. Are billed as technical or professional charges using CPT/HCPCS coding that has no technical or professional component;
7. Are up coded using either historical medical events/diagnoses that are not in active treatment, or facility or procedure acquired diagnosis(es) that are not typical to the

treatment of the diagnosis(es);

8. Are considered a Non-Covered Service by any other provision of this Contract, including but not limited to, Contract limitations and exclusions, and Contract definitions of Covered Services, Maximum Allowable Charge and Medical Necessity.

Alliant will implement and utilize all applicable rules and guidelines regardless of whether the Federal Government/CMS waives their own guideline(s) as a requirement of their own adjudication process(es).

Alliant retains maximum legal authority and discretion to determine what is covered or not covered under the Contract, based on the results of any claim audit and/or medical bill review.

MEDICARE

The benefits under this Certificate for Members age 65 and older, or Members otherwise eligible for Medicare, except those Members with chronic kidney disease or End Stage Renal Disease (ESRD), do not duplicate any benefit for which Members are entitled under Medicare, except when federal law requires Us to be the primary payor. Where Medicare is the primary payer, all sums payable by Medicare for services provided to Members shall be reimbursed by or on behalf of the Members to Us, to the extent Alliant has made payment for such services.

This plan is not a Medicare supplemental policy.

PHYSICAL EXAMINATIONS

If You have submitted a claim and We need more information about Your health, We can require You to have a physical examination. We would pay the cost of any such examination.

POPULATION HEALTH MANAGEMENT

We offer a variety of services to You through Our Population Health Management program which includes Case Management.

Case Management is available to all plan members who need assistance with coordinating health care services and/or accessing resources. Registered nurses, pharmacists and social workers, referred to as Care Managers, assist members with needs spanning behavioral services and the medical community. If You are facing a serious illness or medical condition, then Case Management may be right for You.

Case Management Services

General Case Management and disease specific case management programs are available. The goals of these services are:

1. To increase Member care through coordination of services between the primary care provider, specialist and other health team members;
2. To provide ongoing education and prevention resources to Our members; and
3. To improve the Member care experience.

Examples of diagnoses and/or conditions that We frequently assist with include:

- Asthma
- Chronic Obstructive Pulmonary Disease (COPD)
- Depression

- Cerebral Vascular Accident (CVA)/Stroke
- You have had multiple hospitalizations
- Diabetes
- Heart Disease
- Medication Management
- Substance Misuse

Complex Case Management is another program available to Our members. If You have complex health needs, We can help You manage Your plan of care. Examples of when You may need to enroll in case management are below, but keep in mind these are not all of the reasons:

- You are going through a transplant
- You have had multiple hospitalizations
- You have been told You are pregnant and are at high risk
- You have a serious and persistent mental illness

Contacting Case Management

If You have any questions about Our Population Health Management program or would like to make a case management referral for Yourself or a loved one, please call Alliant's Member Care Line at (800) 865-5922. All Population Health Management programs are provided by Alliant at no cost.

Additional Population Health Management program information is available at AlliantPlans.com

PREVENTIVE CARE AND WELLNESS PROGRAM

If You are eligible for coverage under the Plan, You may participate in a Preventive Care and Wellness Program that is intended to improve Your health and prevent disease. The Preventive Care and Wellness Program offers opportunities for You to earn points through "Expeditions" focused upon education, physical activities, nutrition, preventive screening exams and community involvement. Only individuals age 18 or older are eligible to participate in the Preventive Care and Wellness Program.

In the event that You elect to participate in the Preventive Care and Wellness Program, You may earn points that may be redeemed for limited financial benefits. Specifically, in exchange for participating in Expeditions and achieving the goals established by the program, You can earn points that accumulate towards monetary consideration that may be utilized for specific purposes related to preventive care and wellness initiatives, including but not limited to good nutrition purchases or other lifestyle benefits. The monetary incentive to participate in the Preventive Care and Wellness Program is not a rebate or discount from Your health plan premiums. You are responsible for any taxes related to the redemption of rewards under the Preventive Care and Wellness Program. Your participation in the Preventive Care and Wellness Program is voluntary and is not a requirement for eligibility for health plan benefits.

If You are not able to participate in an activity to earn points under this Preventive Care and Wellness Program due to a disability or medical condition, You might qualify for an opportunity to earn the same incentive by different means. Call Client Services at (866) 403-2785 to find an accommodation for the activity (or a different activity that offers the same incentive). The Preventive Care and Wellness Program does not endorse any vendor, product or service associated with this program. If You are interested in participating in the Preventive Care and

Wellness Program, visit <https://www.live4it.com/Alliant>.

PROOF OF LOSS, PAYMENT OF CLAIMS

In-Network Providers

When services are provided by an In-Network Provider, claims will be filed by that Provider. You are not responsible for filing claims when services are rendered by an In-Network Provider.

A Member shall make payment to a Physician or Provider rendering services under this Contract only to comply with those Copayments, Deductible, and Out-of-Pocket requirements outlined in the Summary of Benefits and Coverage. We are authorized by You to make payments directly to the Provider of Covered Services.

Each person enrolled through the plan receives an Identification Card. When admitted to an Alliant In-Network Hospital, present Your Identification Card. Upon discharge, You may be billed only for those charges not covered by Your Plan. The Hospital will bill Us directly for Covered Services.

Out-of-Network Providers

When Covered Services are provided by an Out-of-Network Provider, the Provider is not required to file a claim on Your behalf; You may have to pay the bill at the time of service and submit an itemized bill or claim to Us for reimbursement.

The claim should include Your name, Member and Group ID numbers exactly as they appear on Your Identification Card. Make certain the bills are itemized to include dates, places and nature of services and/or supplies. Be sure to keep a photocopy of all forms and bills for Your records.

QUALITY IMPROVEMENT PROGRAM

You may call Client Services at (866) 403-2785 to request information on Alliant's Quality Improvement (QI) program, or You may view program information at AlliantPlans.com. The annual QI program executive summary includes information on quality improvement program processes, goals and outcomes, as they relate to Member care and services.

QUESTIONS ABOUT COVERAGE OR CLAIMS

If You have questions about Your coverage or claims, contact Alliant Client Services at (866) 403-2785. Be sure to always give Your Member ID number.

When asking about a claim, provide the following information:

- Member ID number;
- Patient name and address;
- Date of service;
- Type of service received; and
- Provider name and address (Hospital or doctor).

RIGHT OF RECOVERY

We have oversight responsibility for compliance with Provider and vendor and subcontractor contracts. We may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a Provider, vendor, or subcontractor resulting

from these audits if the return of the overpayment is not feasible.

We have established recovery policies to determine which recoveries are to be pursued, when to incur costs and expenses and settle or compromise recovery amounts. We will not pursue recoveries for overpayments if the cost of collection exceeds the overpayment amount. We may not provide You with notice of overpayments made by Us or You if the recovery method makes providing such notice administratively burdensome.

If You or Your Covered Dependents have a claim for damages or a right to reimbursement from a third party or parties for any condition, illness or Injury for which benefits are paid under this plan, We shall have a right of recovery. Our right of recovery shall be limited to the amount of any benefits paid for covered medical expenses under this plan but shall not include non-medical items. Our right of recovery shall include compromise settlements. You or Your attorney must inform Alliant of any legal action or settlement discussion, ten days prior to settlement or trial.

Whenever payment has been made in error, We will have the right to recover such payment from You or, if applicable, the Provider. In the event We recover a payment made in error from the Provider, except in cases of fraud, We will only recover such payment from the Provider during the 12 months after the date We made the payment on a claim submitted by the Provider. We reserve the right to deduct or offset any amounts paid in error from any pending or future claim. The cost share amount shown in Your Certificate of Coverage is the final determination and You will not receive notice of an adjusted cost share amount as a result of such recovery activity.

You agree to furnish Us promptly all information which You have concerning Your rights of recovery or recoveries from other persons or organizations and to fully assist and cooperate with Us in protecting and obtaining Our reimbursement and subrogation rights in accordance with this section.

You or Your attorney will notify Us before filing any suit or settling any claim so as to enable Us to participate in the suit or settlement to protect and enforce this plan's rights under this section. If You do notify Us so that We are able to and do recover the amount of Our benefit payments for You, We will share proportionately with You in any attorney's fees charged to You by Your attorney for obtaining the recovery. If You do not give Us that notice, or We retain Our own attorney to appear in any court (including bankruptcy court), Our reimbursement or subrogation recovery under this section will not be decreased by any attorney's fee for Your attorney or under the common fund theory.

You further agree not to allow Our reimbursement and subrogation rights under this plan to be limited or harmed by any other acts or failures to act on Your part. It is understood and agreed that if You do, We may suspend or terminate payment or provision of any further benefits for You under the plan.

RIGHT OF SUBROGATION

Subrogation is the process that allows Us to recover that amount from anyone responsible for Your injury or loss. This means We can use Your right to get money from them to recover what We paid.

If We pay or provide any benefits for You under this plan, We are subrogated to all rights of recovery which You have in contract, tort, or otherwise against any person or organization for the

amount of benefits We have paid or provided. That means that We may use Your right to recover money from that other person or organization.

RIGHT OF REIMBURSEMENT

Besides the right of subrogation, We have a separate right to be reimbursed or repaid from any money You, including Your family members, recover for an injury or condition for which We have paid plan benefits. This means that You promise to repay Us from any money You recover the amount We have paid or provided in plan benefits. It also means that if You recover money as a result of a claim or a lawsuit, whether by settlement or otherwise, You must repay us. And, if You are paid by any person or company besides us, including the person who injured You, that person's insurer, or Your own insurer, You must repay us. In these and all other cases, You must repay us.

We have the right to be reimbursed or repaid first from any money You recover, even if You are not paid for all of Your claim for damages and You are not made whole for Your loss. This means that You promise to repay Us first even if the money You recover is for (or said to be for) a loss besides plan benefits, such as pain and suffering. It also means that You promise to repay Us first even if another person or company has paid for part of Your loss. And it means that You promise to repay Us first even if the person who recovers the money is a minor. In these and all other cases, We still have the right to first reimbursement or repayment out of any recovery You receive from any source.

TERMS OF YOUR COVERAGE

We provide the benefits described in this booklet only for eligible Members. The health care services are subject to the limitations, exclusions, Copayments, Deductibles and Coinsurance requirements specified in Your **Summary of Benefits and Coverage**. This Certificate of Coverage supersedes any previously distributed Certificate of Coverage.

Benefit payment for Covered Services or supplies will be made directly to whoever submits the claim. If the Provider submits the claim, We will make payment to the Provider. If You submit the claim, payment will be made directly to You and You are responsible for making payment to the Provider.

We do not supply You with a Hospital or Physician. In addition, We are not responsible for any injuries or damages You may suffer due to actions of any Hospital, Physician or other person.

In order to process Your claims, We may request additional information about the medical treatment You received and/or other health insurance You may have. This information will be treated confidentially.

An oral explanation of Your benefits by an Alliant employee is not legally binding.

Any correspondence mailed to You will be sent to Your most current address. You are responsible for notifying Us of Your new address.

TRANSITION OF CARE FOLLOWING EXHAUSTION OF BENEFITS

Alliant Health Plans complies with CMS and NCQA (National Committee for Quality Assurance)

standards for Continuity and Coordination of care through notification to members who have exhausted their medical benefits. When a Member exhausts benefits available under the terms of their policy, Alliant Health Plans takes steps to educate the Member regarding other available resources, whether covered by the plan or not. These resources are listed on the Alliant Health Plans website.

NOTICE OF NON-DISCRIMINATION

Alliant Health Plans complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex (consistent with the scope of sex discrimination described at 45 CFR § 92.101(a)(2)). Alliant Health Plans does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.

Alliant Health Plans:

- Provides free aids and services to people with disabilities to communicate effectively with Us, such as:
 - Qualified sign language interpreters
 - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
 - Qualified interpreters
 - Information written in other languages

If You need these services, contact Client Services at (866) 403-2785.

If You believe that Alliant Health Plans has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, You can file a grievance with: Compliance Officer, PO Box 1128, Dalton, GA 30722, Ph: (706) 237-8802 or (888) 533-6507 ext 125, Fax: (706) 229-6289, Email: Compliance@AlliantPlans.com. You can file a grievance in person or by mail, fax, or email. If You need help filing a grievance, the Compliance Officer is available to help You.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf> or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue, SW, Room 509F, HHH Building, Washington, D.C. 20201, 1-800-368-1019, 800-537-7697 (TDD).

Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>.

This notice is available at Alliant Health Plan's website: AlliantPlans.com.

WHEN YOUR COVERAGE TERMINATES

When will my Alliant Membership end?

Alliant Health Plans will renew or continue Your coverage if You wish to remain enrolled. The Affordable Care Act preserves existing requirements under HIPAA that require insurers to renew coverage on a guaranteed basis with some exceptions, such as the nonpayment of premiums and fraud, among others, that are explained below.

TERMINATION OF BENEFITS & COVERAGE

The termination date of Your coverage is the last day You are covered with Alliant (for example, if Your termination date is June 30, 2020, Your last minute of coverage was 11:59 pm eastern time on June 30, 2020). If Your coverage terminates for any reason, You must pay all amounts payable and owed related to Your coverage with Alliant, including Premiums, for the period prior to Your termination date.

Except in the case of fraud or deception in the use of services or facilities, Alliant will return to You within 30 days the amount of Premiums paid to Alliant which corresponds to any unexpired period for which payment had been received together with amounts due on claims, if any, less any amounts due Alliant.

Your membership with Alliant will terminate if You:

- No Longer Meet Eligibility Requirements:
 - You no longer meet the age or other eligibility requirements for coverage under this plan as required by Alliant or Georgia Access.
 - You no longer live in Alliant's Service Area for this product. Georgia Access and/or Alliant will send You notice of any eligibility determination. Alliant will send You notice when it learns You have moved out of the Service Area. Coverage will end at midnight on the last day of the month following the month in which either of these notices is sent to You unless You request an earlier termination effective date.
 - For Dependents, upon reaching age 26, Your coverage will terminate at the end of the calendar year in which You turn 26.
- Request Disenrollment: You decide to end Your membership and disenroll from Alliant by notifying Alliant if You purchased directly from Us or Georgia Access if You purchased from Georgia Access. Your membership will end at midnight on the 14th day following the date of Your request or a later date if requested by You. Alliant may, at its discretion, accommodate a request to end Your membership in fewer than 14 days, but will not accommodate any requests to end membership earlier than the date of Your request.
- Change Health Plans: You decide to change from Alliant to another health plan either during an annual open enrollment period or other special enrollment period for which You have been determined eligible in accordance with the special enrollment procedures or (iii) when You seek to enroll a new Dependent. Your membership will end at midnight on the day before the Effective Date of coverage through Your new health plan.
- Fraud or Misrepresentation: You commit any act or practice which constitutes fraud, or for any intentional misrepresentation of material fact under the terms of Your coverage with Alliant. We reserve the right to rescind Your coverage after We provide You a 30-calendar

day advance written notice that coverage will be rescinded. You have the right to appeal the rescission. The termination date will be the date of the fraud or intentional misrepresentation or a material fact or the original date of Your enrollment, whichever is later.

- See Fraud or Misrepresentation in the General Information section of this Certificate for additional information.
- Accept Reimbursement for Premium: You accept any direct or indirect contribution or reimbursement by or on behalf of any third party including, but not limited to, any health care provider, any health care provider sponsored organization, any pharmaceutical company, or any sales agent or broker for any portion of the Premium for coverage under this Certificate. This prohibition does not apply to the following third parties:
 - Ryan White HIV/AIDS Program under title XXVI of the Public Health Service Act.
 - Indian tribes, tribal organizations or urban Indian organizations.
 - Local, State and Federal Government programs, including grantees directed by government programs to make payments on their behalf consistent with the program's statutory authority.

After Your first 24 months of coverage, Alliant may not terminate Your coverage due to any omissions, misrepresentations or inaccuracies in Your application form (whether willful or not).

If Alliant terminates Your membership for cause, You will not be allowed to enroll with Us in the future. We may also report criminal fraud and other illegal acts to the appropriate authorities for prosecution.

- Discontinuation: If Alliant ceases to provide or arrange for the provision of health benefits for new or existing health care service plan Contracts, in which case Alliant will provide You with written notice at least 180 days prior to discontinuation of those Contracts.
- Withdrawal of Plan: Alliant withdraws this product from the market, in which case Alliant will provide You with written notice at least 90 days before the termination date.
- Nonpayment of Premiums: If You do not pay required Premiums by the due date, Alliant may terminate Your coverage as further described below.

Your coverage under certain Benefits and Coverage will terminate if Your eligibility for such benefits end. For instance, a Member who attains the age of 19 will no longer be eligible for Pediatric Vision Services covered under this Agreement and, as a result, such Member's coverage under those specific Benefits and Coverage will terminate on his or her 19th birthday, without affecting the remainder of this Certificate.

PREMIUM PAYMENTS & TERMINATION FOR NON-PAYMENT

- **Premium Notices/Termination for Non-Payment of Premiums.** Your Premium payment obligations are as follows:
- Your Premium payment for the upcoming coverage month is due no later than the first day of that month. This is the "Due Date." Alliant will send You a bill in advance of the Due Date for the upcoming coverage month. If Alliant does not receive the full Premium payment due on or before the Due Date, Alliant will send a notice of non-receipt of Premium payment and cancellation of coverage (the "Late Notice") to the Subscriber's address of record. This Late Notice will include, among other information, the following:

- A statement that Alliant has not received full Premium payment and that We will terminate this Agreement for nonpayment if We do not receive the required Premiums prior to the expiration of the grace period as described in the Late Notice.
- The amount of Premiums due.
- The specific date and time when the membership of the Subscriber and any enrolled Dependents will end if We do not receive the required Premiums.
- You will be charged \$30 for any check or draft not honored by Your financial institution (e.g. NSF).
- If You have received a Late Notice that Your coverage is being cancelled or not renewed due to failure to pay Your Premium, Alliant will give You a “grace period”; during the grace period, You can avoid cancellation or nonrenewal by paying the Premium You owe to Alliant. If You do not pay the Premium by the end of the grace period, this Agreement will be cancelled. You will still be responsible for any unpaid Premiums You owe Alliant for the grace period.
 - If You purchased Your SoloCare policy on Georgia Access and You receive an Advanced Premium Tax Credit (APTC), You have a three-month grace period. Alliant holds payment for Covered Services after the first month of the grace period until We receive the delinquent Premiums. If Premiums are not received in full by the end of the three-month grace period, the Subscriber is responsible for payment of the Covered Services received during the second and third months of the grace period.
 - If You purchased Your SoloCare policy on Georgia Access but do NOT receive an Advanced Premium Tax Credit (APTC), You have a 31-day grace period. If Premiums are not paid in full during that 31-day grace period, coverage is terminated as of the last day of Your grace period.
 - If You purchased Your SoloCare policy off Georgia Access You have a 31-day grace period. If Premiums are not paid in full during that 31-day grace period, coverage is terminated as of the last day of Your grace period.

REINSTATEMENT AFTER TERMINATION FOR NON-PAYMENT OF PREMIUMS

When You have been terminated for nonpayment of Premiums:

- You may only enroll during the annual Open Enrollment period or by qualifying for a Special Enrollment Period.

UNAUTHORIZED PLAN SWITCH

If You believe Your coverage was terminated due to an unauthorized plan switch or changed to another carrier or plan without Your express consent, please contact Client Services immediately at (866) 403-2785 to see if You have additional rights or options to continue Your coverage with Alliant.

Termination Notice: Upon termination of this Agreement Alliant will mail a Termination Notice to the Subscriber’s address of record specifying the date when the membership ended.

If You purchased Your coverage through Georgia Access, see “REPORTING LIFE & INCOME CHANGES TO Georgia Access” at the end of this document for additional information.

COMPLAINTS & APPEALS

We hope that You will always be satisfied with the level of service provided to You and Your family. We realize, however, that there may be times when problems arise, and miscommunications occur which lead to feelings of dissatisfaction.

COMPLAINTS ABOUT ALLIANT HEALTH PLANS

As an Alliant Member, You have a right to express dissatisfaction and to expect unbiased resolution of issues. The following represents the process established to ensure that We give Our fullest attention to Your concerns. Please utilize it to tell Us when You are displeased with any aspect of services rendered.

1. Call Client Services at (866) 403-2785. Tell Us Your problem and We will work to resolve it for You as quickly as possible.
2. If You are not satisfied with Our answer, You may file a formal complaint, preferably, but not necessarily, in writing. This request for a further review of Your concerns should be addressed to the location provided below.
3. If, depending on the nature of Your complaint, You remain dissatisfied after receiving Our response, You will be offered the right to appeal Our decision in writing. At the conclusion of this formalized re-review of Your specific concerns, a final written response will be provided to You, which will, hopefully resolve the issue to Your satisfaction.

SUMMARY OF GRIEVANCES

A summary of the number, nature and outcome results of grievances filed in the previous three years is available for Your inspection. You may obtain a copy of any such summary at a reasonable cost from Us.

COMPLAINTS ABOUT PROVIDER SERVICE

If Your complaint involves care received from a Provider, please call Client Services at (866) 403-2785. Your complaint will be resolved in a timely manner.

DEFINITIONS FOR APPEALS

The capitalized terms used in this appeals section have the following definitions:

Adverse Benefit Determination

- A denial of a request for service or a failure to provide or make payment (in whole or in part) for a benefit;
- Any reduction or termination of a benefit, or any other coverage determination that an admission, availability of care, continued stay, or other health care service does not meet Alliant's requirements for Medical Necessity, appropriateness, health care setting, or level of care or effectiveness; or
- Based in whole or in part on medical judgment, includes the failure to cover services because they are determined to be experimental, investigational, cosmetic, not Medically Necessary or inappropriate;
- A decision by Alliant to deny coverage based upon an initial eligibility determination.

An Adverse Benefit Determination is also a rescission of coverage as well as any other cancellation or discontinuance of coverage that has a retroactive effect, except when such

cancellation/discontinuance is due to a failure to timely pay required Premiums or contributions toward cost of coverage.

The denial of payment for services or charges (in whole or in part) pursuant to Alliant's contracts with network providers, where You are not liable for such services or charges, are not Adverse Benefit Determinations.

Authorized Representative

An individual authorized in writing by You or state law to act on Your behalf in requesting a health care service, obtaining claim payment, or during the internal appeal process. A health care provider may act on behalf of You without Your express consent when it involves an Urgent Care Service.

Final Adverse Benefit Determination

An Adverse Benefit Determination that is upheld after the internal appeal process. If the time period allowed for the internal appeal elapses without a determination by Alliant, then the internal appeal will be deemed to be a Final Adverse Benefit Determination.

Post-Service Claim

An Adverse Benefit Determination has been rendered for a service that has already been provided.

Pre-Service Claim

An Adverse Benefit Determination was rendered, and the requested service has not been provided.

Urgent Care Services Claim

An Adverse Benefit Determination was rendered, and the requested service has not been provided, where the application of non-urgent care appeal timeframes could seriously jeopardize:

- Your life or health or Your unborn child's; or
- In the opinion of the treating physician, would subject You to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

INTERNAL APPEAL

You, or an authorized representative of Your choice, have the right to file an appeal of a decision not in Your favor. Your appeal rights may include Internal Level I, Internal Level II (optional), and an External review. Additional information is included below. If You need assistance or additional information, please contact Alliant Client Services at (866) 403-2785.

A decision that is not in Your favor is commonly called an adverse determination and may be appealed. The time You have to submit an appeal is as follows:

- Level I Internal Appeal within 180 calendar days from the date of the notice of adverse determination or denial notice.

- Optional Level II Internal Appeal within 60 calendar days from the date of a Level I denial notice. You are not required to exercise this option and instead go directly to External review within 123 calendar days of the Level I denial.

You may file an appeal Yourself. You also have the right to be represented by anyone You choose, including Your physician, a family member, or an attorney. You may have that representative act on Your behalf at all levels of the appeal process. For more information on filing an appeal or to learn how to name Your authorized representative, contact Alliant Client Services at (866) 403-2785.

Depending on the type of benefit denial You wish to appeal You may contact Alliant to request an internal appeal or send a written request by fax or mail.

- Medical Prior Authorization Appeals: You can find an appeal form on Our website at <https://AlliantPlans.com/wp-content/uploads/Member-Appeal-Form.pdf>. Urgent Appeals

You or Your authorized representative can request an expedited (faster than usual) pre-service appeal if waiting for a decision could seriously harm Your health or ability to function. If You believe Your situation is urgent, You may request an expedited appeal by calling or writing to Us using the same contact information for Medical or Pharmacy above. If You write, please include Your name, member ID number, the date of Your denial notification letter, information about Your case, and why You are asking for an expedited appeal. Notification of the appeal decision will be sent to You no later than 72 hours after receiving the request, which is equivalent to three (3) calendar days. Some urgent situations may also qualify for an expedited External review, as described below. An expedited External review may be requested at the same time as an internal appeal.

Appeal for a Claim Denial

You may contact Alliant to make an internal appeal or send a written request by fax or mail.

- **Claim Appeal:** You can find an appeal form on Our website at <https://AlliantPlans.com/wp-content/uploads/Member-Appeal-Form.pdf>. When writing, please include Your name, member ID number, the date of Your denial notification letter, and why You are asking for the decision to be reviewed. Mail Your request to the following:

Alliant Health Plans
Appeals Department
PO Box 1247
Dalton, GA 30722
Fax: (866) 634-8917

Your appeal rights include the right to present further evidence, including supporting comments, documents, records, or other materials related to the appeal request that You would like to have considered. You may also send a written statement related to the requested medication or service and why You believe it should be covered under Your plan benefits. You or Your provider should also submit any evidence or records that You think would help Your appeal, such as specific side effects or a list of medications You tried that did not work.

You may request and receive copies of all documents, records, and other information related to Your appeal free of charge. Documentation will include the specific benefit guidelines or criteria that the adverse determination was based on. You can request copies of this information by contacting Alliant at (866) 403-2785.

Internal Appeal Process

Once an appeal has been requested, all documentation provided will be reviewed, and written notification of the outcome will be mailed to You or Your authorized representative and Your provider.

How long will each appeal level take to reach a decision?

- A pre-service appeal is a request to change a decision not in Your favor for services that have not yet been received.

Certificate of Coverage - PPO Individual/Family Plans

- A Level I pre-service appeal will be completed within fifteen (15) calendar days from the date the request is received.
- An optional Level II pre-service appeal will be completed within fifteen (15) calendar days from the date the request is received.
- A post-service appeal is a request to change a decision not in Your favor for services that have already been received.
 - A Level I post-service appeal will be completed within thirty (30) calendar days from the date the request is received.
 - An optional Level II post-service appeal will be completed within thirty (30) calendar days from the date the request is received.
- An expedited pre-service appeal is a request to change a decision not in Your favor in a faster than usual timeframe.
 - An expedited appeal will be completed within seventy-two (72) hours, which is equivalent to three (3) calendar days from the date the request is received.

Your provider has the right to discuss the appeal outcome with a physician or other appropriate reviewer. The appeal notice will list the specific reason for the appeal decision and all individuals involved in the decision-making process.

Your External Appeal Rights

After You have completed the Internal appeal process, You or Your authorized representative have the right to request an External review at no cost to You. You must file a request for an External review within 123 calendar days from the date of the appeal decision notice.

In what circumstances can I request an expedited External review?

In some cases, You may ask for an expedited (faster than usual) External review. An expedited review may be requested when:

1. You have asked for an expedited internal appeal and want an expedited External review at the same time, because the timeframe for an expedited internal appeal, which is 72 hours would place Your life, health or ability to regain maximum function in danger.

OR

2. You have completed the internal appeal process with the plan and the decision was not in Your favor, and:
 - a. The timeframe to do a standard External review (45 calendar days) would place Your life, health, or ability to regain maximum function in danger,

OR

- b. The decision is about admission, care availability, continued stay, or emergency health care services and You have not been discharged from the facility.

When requesting an External review, please provide the following information:

- Name
- Address
- Phone
- Email address
- Whether the request is urgent
- Members' signature (if the person filing the appeal is not the member)
- A brief description of the reason You disagree with Your health Plan's decision

Medical and Pharmacy Prior Authorization External Appeals

After You have completed the Internal appeal process, You or Your authorized representative have the right to request an External review with Maximus at no cost to You. You must file a request for an External review within 123 calendar days from the date of the appeal decision notice.

How do I request an External review? You may request an External review by:

1. Calling Maximus toll-free at (888) 866-6205; or
2. Submitting the request online at: <https://Externalappeal.cms.gov> under the "Request a Review Online" heading; or
3. Downloading and printing the External Review Request form at <https://Externalappeal.cms.gov> under the "Forms" heading. You may send a written request by fax or mail to the following:

MAXIMUS Federal Services
3750 Monroe Avenue, Suite 705
Pittsford, NY 14534
Fax: (888) 866-6190

Additional written comments may be submitted to the External reviewer at the above mailing address. Any additional information submitted may be shared with the plan or issuer to allow the plan to reconsider the denial.

Claim External Appeals and Complaints

For help with the External review process or to file a complaint please contact the Georgia Office of Commissioner of Insurance and Safety Fire (OCI), Customer Service Division by:

1. Calling OCI toll-free at (800) 656-2298; or
2. Submitting the request online through the Consumer Portal; or
3. Mailing or faxing Your complaint to the following:

Georgia Office of Commissioner of Insurance and Safety Fire
Customer Service Division
2 Martin Luther King, Jr. Drive
West Tower, Suite 716
Atlanta, GA 30334
Fax: (404) 657-8548

Alliant will also provide You with any required forms upon request. Once an eligible request for External review or complaint is complete, the matter will be investigated by the Georgia OCI. There will be no charge to You for the investigation. The Georgia OCI will notify You and Your authorized representative of its decision.

Employee Retirement Income Security Act of 1974 (ERISA) Rights

If You are enrolled in a private employer plan, then You may also have the right to bring a civil action under ERISA Section 502(a) if Your claim is denied in whole or in part, however You must exhaust Your internal appeal rights under the plan as outlined above prior to bringing action.

General Rules and Information

General rules regarding Alliant's Complaint and Appeal Process include the following:

- You must cooperate fully with Alliant in Our effort to promptly review and resolve a complaint or appeal. In the event You do not fully cooperate with Alliant, You will be deemed to have waived Your right to have the Complaint or Appeal processed within the timeframes set forth above.
- Alliant will offer to meet with You by telephone. Appropriate arrangement will be made to allow telephone conferencing to be held at Our administrative offices. Alliant will make these telephone arrangements with no additional charge to You.
- During the review process, the services in question will be reviewed without regard to the decision reached in the initial determination.
- Alliant will provide You with new or additional informational evidence that it considers, relies upon, or generates in connection with an appeal that was not available when the initial Adverse Benefit Determination was made. A "full and fair" review process requires Alliant to send any new medical information to review directly so You have an opportunity to review the claim file.

DEFINITIONS

Accidental Injury

Bodily Injury sustained by a Member as the result of an unforeseen event and which is the direct cause (independent of disease, bodily infirmity or any other cause) for care which the Member receives. It does not include injuries for which benefits are provided under any Workers' Compensation, employer's liability or similar law.

After-Hours Office Visit

Care rendered as a result of a condition that has an onset after the Physician's business hours.

Ambulatory Facility

A facility, with a staff of Physicians, at which surgical procedures are performed on an outpatient basis, where no patients stay overnight. The facility offers continuous service by both Physicians and Registered Nurses (R.N.s). It must be licensed by the appropriate state agency. A Physician's office does not qualify as a Freestanding Ambulatory Facility.

Applicant

The individual who applied for this Contract.

Application for Enrollment

The original and any subsequent forms completed and signed by the Subscriber seeking coverage. Such Application may take the form of an electronic submission.

Autism

A developmental neurological disorder, usually appearing in the first three years of life, which affects normal brain functions and is manifested by compulsive, ritualistic behavior and severely impaired social interaction and communication skills. **Benefit Period**

One year, January 1 – December 31 (also called year or calendar year). It does not begin before a Member's Effective Date. It does not continue after a Member's GA SoloCare PPO COC 2026

coverage ends.

Brand Name Drugs

A drug item which is under patent by its original innovator or marketer. The patent protects the drug from competition from other drug companies. There are two types of Brand Name Drugs:

- Single Source Brand: drugs that are produced by only one manufacturer and do not have a generic equivalent available.
- Multi-Source Brand: drugs that are produced by multiple pharmaceutical manufacturers and do have a generic equivalent available on the market.

Certificate

A short, written statement which defines Our legal obligation to the Members.

Chemical Dependency Treatment Facility

An institution established to care for and treat chemical dependency, on either an Inpatient or Outpatient basis, under a prescribed treatment program. The institution must have diagnostic and therapeutic facilities for care and treatment provided by or under the supervision of a licensed Physician. The institution must be licensed, registered or approved by the appropriate authority of the State of Georgia, or must be accredited by the Joint Commission on Accreditation of Hospitals.

Clean Claim

Providers are required to submit clean claims. A clean claim is defined by the Georgia Department of Community Health as a claim received for adjudication, in a nationally accepted format in compliance with standard coding guidelines and which requires no further information, adjustment, or alteration by the provider of the services in order to be processed and paid by Alliant.

Coinsurance

If a Member's coverage is limited to a certain percentage, for example 80%, then the remaining 20% for which the Member is responsible is the Coinsurance amount. The Coinsurance may be capped by the Out-of-Pocket Limit. This is different than Copayment.

Combined Limit

The maximum total of In-Network and Out-of-Network Care available for designated health services in the Summary of Benefits and Coverage.

Complications of Pregnancy

Complications of Pregnancy result from conditions requiring Hospital confinement when the pregnancy is not terminated. The diagnoses of the complications are distinct from pregnancy but adversely affected or caused by pregnancy. Such conditions include acute nephritis, nephrosis, cardiac decompensation, missed or threatened abortion, preeclampsia, intrauterine fetal growth retardation and similar medical and surgical conditions of comparable severity. An ectopic pregnancy which is terminated is also considered a Complication of Pregnancy. Complications of Pregnancy shall not include false labor, cesarean section, occasional spotting, and Physician prescribed rest during the period of pregnancy, morning sickness, hyperemesis gravidarum and similar conditions associated with the management of a difficult pregnancy which are not diagnosed distinctly as Complications of Pregnancy.

Congenital/developmental Anomaly

A condition or conditions that are present at birth regardless of causation. Such conditions may be hereditary or due to some influence during gestation.

Contract

The Certificate, the Alliant Formulary, any amendments or riders, and Your Application for Enrollment constitutes the entire Contract. If there is any conflict between either this Certificate or any amendment or rider, the amendment or rider shall control.

Contract Year

A period of one calendar year commencing on January 1 at 12:01 am and ending December 31 at 11:59 pm eastern time.

Coordination of Benefits

A provision that is intended to avoid claims payment delays and duplication of benefits when a person is covered by two or more plans providing benefits or services for medical, dental or other care or treatment. It avoids claim payment delays by establishing an order in which plans pay their claims and providing an authority for the orderly transfer of information needed to pay claims promptly. It may avoid duplication of benefits by permitting a reduction of the benefits of a plan when, by the rules established by this provision, it does not have to pay its benefits first.

Copayment

A cost-sharing arrangement in which a Member pays a specified charge for a Covered Service. The Member is usually responsible for payment of the Copayment at the time health care is rendered. Copayments are distinguished from Coinsurance as flat dollar amounts rather than percentages of the charges for services rendered. Copayments may be collected by the Provider of service.

Cosmetic Surgery

Any Non-Medically Necessary surgery or procedure, the primary purpose of which is to improve or change the appearance of any portion of the body, but which does not restore bodily function, correct a disease state, physical appearance or disfigurement caused by an accident, birth defect, or correct or naturally improve a physiological function. Cosmetic Surgery includes but is not limited to rhinoplasty, lipectomy, surgery for sagging or extra skin, any augmentation or reduction procedures (e.g., mammoplasty, liposuction, keloids, rhinoplasty and associated surgery) or treatment relating to the consequences or as a result of Cosmetic Surgery.

Covered Dependent

Any Dependent in a Subscriber's family who meets all the requirements of the Eligibility section of this Certificate and has enrolled and complied with the Premium requirements.

Covered Services

Those charges for Medically Necessary health care services, treatment and supplies intended to improve a condition or Member's health that are (a) defined as Covered Services in the Member's Contract, (b) not excluded under such Contract, (c) not Experimental or Investigational and (d) provided in accordance with such Contract. Covered Services are determined based upon all other Contract provisions. When more than one treatment option is available, and one option is no more effective than another, the Covered Service is the least costly option that is no less effective than any other option. The Covered Services are also subject to the Maximum Allowable Cost (MAC), as defined herein and all Contract exclusions will be taken into consideration to determine the Covered Service.

Creditable Coverage

Coverage under another health benefit plan is medical expense coverage with no greater than a ninety (90) day gap in coverage under any of the following: (a) Medicare or Medicaid; (b) an employer-based accident and sickness insurance or health benefit arrangement; (c) an individual accident and sickness insurance policy; (d) a spouse's benefits or coverage under Medicare or Medicaid or an employer-based health insurance benefit arrangement; (e) a conversion policy; or similar coverage as defined in OCGA 33-30-15.

Custodial Care

Any type of care, including room and board, that (a) does not require the skills of professional or technical personnel; (b) is not furnished by or under the supervision of such personnel or does not otherwise meet the requirements of post-hospital Skilled Nursing Facility care; (c) is a level such that the Member has reached the maximum level of physical or mental function and is not likely to make further significant improvement.

Deductible

The portion of the bill You must pay before Your medical expenses become reimbursable. It is applied on a calendar year basis.

Dependent

The spouse and all children until attaining age 26. Children include natural children, legally adopted children and stepchildren. Also included are Your children (or children of Your spouse) for whom You have legal responsibility resulting from a valid court decree. Foster children whom You expect to raise to adulthood and who live with You in a regular parent-child relationship are considered children. However, for the purposes of this Contract, a parent-child relationship does not exist between You and a foster child if one or both of the child's natural parents also live with

You. In addition, Alliant does not consider as a Dependent, welfare placement of a foster, as long as the welfare agency provides all or part of the child's support.

Detoxification

The process whereby an alcohol or drug intoxicated, or alcohol or drug dependent person is assisted, in a facility licensed by the appropriate regulatory authority, through the period of time necessary to eliminate, by metabolic or other means, the intoxicating alcohol or drug, alcohol or drug dependent factors or alcohol in combination with drugs as determined by a licensed Physician, while keeping the physiological risk to the patient to a minimum.

Developmental Delay

The statistical variation, as defined by standardized, validated developmental screening tests, such as the Denver Developmental Screening Test, in reaching age-appropriate verbal/growth/motor skill developmental milestones when there is no apparent medical or psychological problem. It alone does not constitute an illness or an Injury. Services rendered should be to treat or promote recovery of the specific functional deficits identified.

Direct Access

A Member has access to primary and specialty care Physicians without the need for an Alliant approved referral.

Durable Medical Equipment

Equipment, as determined by Us, which is (a) made to withstand prolonged use; (b) made for and mainly used in the treatment of a disease or Injury; (c) suited for use while not confined as an Inpatient at a Hospital; (d) not normally of use to persons who do not have a disease or Injury; (e) not for exercise or training.

Effective Date

The date on which benefits begin for each member.

Elective Surgical Procedure

A surgical procedure that is not considered to be an emergency and may be scheduled by the Member or delayed to a later point in time.

Emergency Medical Services

A medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in one of the following conditions:

- Placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
- Serious impairment to bodily functions;
- Serious dysfunction of any bodily organ or part.

Essential Health Benefits

Benefits defined under federal law (PPACA) as including benefits in at least the following categories: ambulatory patient services, emergency services, hospitalization, maternity and newborn care, mental health and substance use disorder services, including behavioral health treatment, prescription drugs, rehabilitative and habilitative services and devices, laboratory services, preventive and wellness services and chronic disease management, and pediatric services, including oral* and vision care.

*Pediatric dental care may be separately provided through a stand-alone dental plan OR offered to You by Your employer.

Experimental and/or Investigational

Experimental and/or Investigational shall

mean any drug, biological product, medical treatment/procedure and/or medical device/equipment (herein collectively known as healthcare services or services) that are not commonly and widely used or accepted by the vast majority of practitioners in the United States, and/or services that lack credible evidence to support positive short-term and/or long-term outcomes from the services rendered; further, the healthcare services are not reimbursable under the CMS guidelines established for Medicare coverage and/or are healthcare services which meet any of the following criteria:

1. Are in any phase of clinical trials;
2. Are not of proven benefit for the specific diagnosis or treatment of the covered patient's particular condition;
3. Do not constitute acceptable medical practice under the standards of the covered patient's case and by the standards of a reasonable segment of the medical community or governmental oversight agencies at the time services were rendered, including, but not limited to, the American Medical Association (AMA), the United States Food and Drug Administration ("FDA"), the National Comprehensive Cancer Network(NCCN), and/or the Federal National Library of Medicine-National Institute of Health;
4. Are rendered on a research basis as determined by governmental oversight agencies, including, but not limited to, the FDA and the AMA's Council on Medical Specialty Societies;
5. Are generally recognized that additional study on its safety and efficacy for the specific diagnosis or treatment of the covered patient's particular condition is recommended, taking into consideration the medical community or governmental oversight agencies at the time services were rendered, including, but not limited to, the AMA, FDA, NCCN and/or the

Federal National Library of Medicine-National Institute of Health; A drug, biological product, medical treatment, medical procedure, medical device/equipment or any other healthcare service is considered Experimental and/or Investigational if:

- It cannot be lawfully marketed without the approval of the FDA and the approval for marketing had not been given at the time the aforementioned healthcare services were rendered or furnished to the covered patient. Reliable evidence shows that any of the aforementioned healthcare services is:
 - the subject of ongoing Phase I, II or III clinical trials; or
 - under study to determine its safety, efficacy, maximum tolerated dose, toxicity and/or its efficacy as compared with the standard means of treatment or diagnosis; or
 - considered among experts to need further studies or clinical trials to determine its safety, efficacy, maximum tolerated dose, toxicity and/or its efficacy as compared with the standard means of treatment or diagnosis.
- In the case of a drug, biological product or device/equipment, it is not being used to treat
- The particular diagnosis or condition that it has been approved for by the FDA; in other words, it is considered off-label use.
- It does not meet the Technology Assessment Criteria as defined by Alliant.

Reliable evidence shall include:

- Published reports and articles in authoritative and scientific literature from the medical community and/or governmental oversight agencies, including, but not limited to, the American Medical Association (AMA), the United States Food and Drug Administration

(FDA), the National Comprehensive Cancer Network (NCCN), and/or the Federal National Library of Medicine-National Institute of Health.

- The written protocol(s) used by the treating provider/facility or the protocol(s) of another comparable provider/facility that is significantly studying the drug, biological product, medical treatment, medical procedure, medical device/ equipment or other healthcare service in question.
- The written informed consent used by the treating provider/facility or by another comparable provider/facility that is significantly studying the drug, biological product, medical treatment, medical procedure, medical device/equipment or other healthcare service in question.

Alliant shall have full authority and discretion to interpret, administer and apply the terms of this section, as well as to determine what is Experimental and Investigational, to the greatest extent permitted by law.

Frame

Standard eyeglasses excluding the Lenses.

Generic Drugs

Prescription Drugs that are not Brand Name Drugs, but which are made up of equivalent ingredients.

Hearing Aid

Hearing Aid means any nonexperimental and wearable instrument or device offered to aid or compensate for impaired human hearing that is worn in or on the body. The term Hearing Aid includes any parts, ear molds, repair parts, and replacement parts of such instrument or device, including, but not limited to, nonimplanted bone anchored hearing aids, nonimplanted bone conduction hearing aids, and frequency modulation systems. Personal
GA SoloCare PPO COC 2026

sound amplification products shall not qualify as hearing aids.

Home Health Care

Care, by a state-licensed program or Provider, for the treatment of a patient in the patient's home, consisting of required intermittent skilled care, which may include observation, evaluation, teaching and nursing services consistent with the diagnosis, established and approved in writing by the patient's attending Physician.

Home Health Care Agency

A Provider which renders care through a program for the treatment of a patient in the patient's home, consisting of required intermittent skilled care, which may include observation, evaluation, teaching and nursing services consistent with the diagnosis, established and approved in writing by the patient's attending Physician. It must be licensed by the appropriate state agency.

Hospice

A Provider which provides care for terminally ill patients and their families, either directly or on a consulting basis with the patient's Physician. It must be licensed by the appropriate state agency.

Hospice Care Program

A coordinated, interdisciplinary program designed to meet the special physical, psychological, spiritual and social needs of the terminally ill Member and his or her covered family members, by providing palliative and supportive medical, nursing and other services through at-home or Inpatient care. The Hospice must be licensed by the appropriate state agency and must be funded as a Hospice as defined by those laws. It must provide a program of treatment for at least two unrelated individuals who have been medically diagnosed as having no reasonable prospect of cure for their illnesses.

Hospital

An institution licensed by the appropriate state agency, which is primarily engaged in providing diagnostic and therapeutic facilities on an Inpatient basis for the surgical and medical diagnosis, treatment and care of injured and sick persons by or under the supervision of a staff of Physicians duly licensed to practice medicine, and which continuously provides 24-hour-a-day nursing services by registered graduate nurses physically present and on duty. "Hospital" does not mean other than incidentally:

- An extended care facility; nursing home; place for rest; facility for care of the aged;
- A custodial or domiciliary institution which has as its primary purpose the furnishing of food, shelter, training or non-medical personal services; or
- An institution for exceptional or disabled children.

Identification Card

The latest card given to You showing Your name, covered Dependents, Your ID numbers, the type of coverage You have the claim submission address, and phone numbers for Client Services, Prior Authorizations and Pharmacy Help Line.

Incapacitated Dependent

A Dependent in which the subscriber or the subscriber's spouse is the court-appointed legal guardian; and the dependent is mentally or physically incapable of earning a living as determined by the Georgia Department of Human Services, and the dependent is chiefly dependent upon the Subscriber for support and maintenance, provided that the onset of such incapacity occurred before the dependent was 26.

Ineligible Charges

Charges for health care services that are not

Covered Services because the services are not Medically Necessary or Prior Authorization was not obtained. Such charges are not eligible for payment.

Ineligible Hospital

A facility which does not meet the minimum requirements to become an In-Network Hospital. Services rendered to a Member by such a Hospital are not eligible for payment.

Ineligible Provider

A Provider which does not meet the minimum requirements to become an In-Network Provider or does not otherwise meet the requirements to contract with Alliant. Services rendered to a Member by such a Provider are not eligible for payment.

Infertile or Infertility

The condition of a presumably healthy Member who is unable to conceive or produce conception after a period of one year of frequent, unprotected heterosexual vaginal intercourse. This does not include conditions for men when the cause is a vasectomy or orchiectomy or for women when the cause is tubal ligation or hysterectomy.

Injury

Bodily harm from a non-occupational accident.

In-Network Care

Covered Services provided to Members by their Physician through In-Network Hospital and In-Network Providers.

In-Network Hospital

A Hospital which is a party to a written agreement with, and in a form approved by, Alliant to provide services to its Members.

In-Network Provider

A Physician, Skilled Nursing Facility, Hospice, Home Health Care Agency, other medical

practitioner or provider of medical services and supplies, who is in the managed network for this specific plan or other closely managed specialty network, or who has a participation contract with Us.

Inpatient

A Member who is admitted into a Hospital and receives lodging and food, as well as treatment.

Late Enrollees

Late Enrollees means Applicant or Dependents who request enrollment in a health benefit plan after the initial open enrollment period.

An individual will not be considered a Late Enrollee if: (a) the person enrolls during his/her initial enrollment period under the Contract:

(b) the person enrolls during a special enrollment period; or (c) a court orders that coverage be provided for a minor Covered Dependent under a Member's Contract, but only as long as the Member requests enrollment for such Dependent within sixty (60) days after the court order is issued. Late Enrollees are those who declined coverage during the initial open enrollment period and did not submit a certification to Us that coverage was declined because other coverage existed.

Lenses

Clear plastic single vision, bifocal or trifocal corrective materials which are ground as prescribed by a licensed Provider.

Long Term Acute Care

Long Term Acute Care requires a Hospital environment which provides the patient with daily Physician visits, a critical care and medical/surgical experienced nursing staff, a complete respiratory department (24 hours a day, 7 days a week), an in-house rehab department, case management, social

services, an in-house pharmacy, radiology and a complete health care system designed to meet the needs of highly acute patients. This acute care environment promotes timely and effective responses to maximize the recovery potential of the patient and maximize the recovery potential of the patient and prevents the need for discharge when complications arise. Such care differs from skilled nursing facility/subacute facility care because that care is limited in the range and frequency of services provided and does not offer a complete health care delivery system.

Maternity Care

Obstetrical care received both before and after the delivery of a child or children. It includes regular nursery care for a newborn infant as long as the mother's Hospital stay is a covered benefit and the newborn infant is an eligible Member under the Contract.

Maximum Allowed Cost or Maximum Allowable Charge (MAC)

Maximum Allowed Cost and/or Maximum Allowable Charge shall mean the maximum amount payable for a Covered Service under the Contract and meeting Medical Necessity and Prior Authorization requirements. The MAC will not include any identifiable billing mistakes including, but not limited to, up-coding, unbundled services/charges, duplicate charges, and charges for services not performed.

Medical Child Support Order (MCSO)

An MCSO is any court judgment, decree or order (including a court's approval of a domestic relations settlement agreement) that:

- Provides for child support payment related to health benefits with respect to the child of a health plan participant or requires health benefit coverage of such child in such plan, and is ordered under state domestic relations law; or Enforces a state law relating to medical child support payment with respect to a

health plan.

Medical Facility

Any Hospital, ambulatory care facility, Chemical Dependency Treatment Facility, Skilled Nursing facility, Home Health Care Agency or mental health facility, as defined in this Certificate.

The facility must be licensed, registered or approved by the Joint Commission on Accreditation of Hospitals or meet specific requirements established by Us.

Medical Necessity or Medically

Necessary We reserve the right to determine whether a health care service or supply is Medically Necessary. The fact that a Physician has prescribed, ordered, recommended or approved a service or supply does not, in itself, make it Medically Necessary. We consider a health care service Medically Necessary if it is:

- Appropriate and consistent with the diagnosis and the omission of which could adversely affect or fail to improve the patient's condition;
- Compatible with the standards of acceptable medical practice in the United States;
- Not provided solely for Your convenience or the convenience of the doctor, health care Provider or Hospital;
- Not primarily Custodial Care; and
- Provided in a safe and appropriate setting given the nature of the diagnosis and the severity of the symptoms.

For example, a Hospital stay is necessary when treatment cannot be safely provided on an outpatient basis.

Member

The Subscriber and each Dependent, as defined in this Certificate, while such person is covered by this Contract.

Mental Health Disorders

This includes all types of mental and emotional conditions, no matter the cause—whether biological, chemical, genetic, or otherwise. It covers mental illnesses like depression, anxiety, schizophrenia, addiction (to drugs or alcohol), personality disorders, and other brain-related or behavioral conditions. It also includes any disorders listed in the Diagnostic and Statistical Manual of Mental Disorders (DSM).

Mental Health Care Provider

An institution such as a Hospital or ambulatory care facility established for the diagnosis and treatment of mental illness. The facility must have diagnostic and therapeutic facilities for care and treatment provided by or under the supervision of a licensed Physician. The facility must be operated in accordance with the laws of the State of Georgia or accredited by the Joint Commission on Accreditation of Hospitals.

Non-Covered Services

Any item, service, supply or care not specifically listed as a Covered Service under this Contract, are excluded by the Contract, are provided by an Ineligible Provider, or are otherwise not eligible to be Covered Services, whether or not they are Medically Necessary.

An individual duly licensed to provide primary nursing and basic medical services.

Out-of-Network Care

Care received from an Out-of-Network Provider.

Out-of-Network Provider

A Hospital, Physician, Skilled Nursing Facility, Hospice, Home Health Care Agency, other medical practitioner or provider of medical services and supplies, that does not have an In-Network Provider contract with Alliant.

Out-of-Pocket Maximum

The maximum amount of a Member's Copayments and Coinsurance payments (including any required Deductible) during a given calendar year. Such amount does not include Premiums or charges for Non-Covered Services or fees in excess of the MAC. When the Out-of-Pocket Maximum is reached, the plan pays 100% of the MAC for Covered Services.

Outpatient

A Member who receives medical treatment without being admitted to a hospital.

Outpatient Prescription Drug Formulary

A document setting forth certain rules relating to the coverage of pharmaceuticals by Us that may include but not be limited to (1) a listing of preferred and non-preferred prescription medications that are covered and/or prioritized in order of preference by Us and are dispensed to Members through pharmacies that are Network Providers, and (2) Prior Authorization rules. This list is subject to periodic review and modification by Us, at Our sole discretion. Charges for medications may be Ineligible Charges, in whole or in part, if a Member selects a medication not included in the Drug Formulary.

Physical Therapy

The care of disease or Injury by such methods as massage, hydrotherapy, heat, or similar care.

Physician

Any licensed Doctor of Medicine (M.D.) legally entitled to practice medicine and perform surgery, any licensed Doctor of Osteopathy (D.O.) approved by the Composite State Board of Medical Examiners, any licensed Doctor of Podiatric Medicine (D.P.M.) legally entitled to practice podiatry and any licensed Doctor of Dental Surgery (D.D.S.) legally entitled to perform oral surgery; Optometrists and Clinical Psychologists (Ph.D.) are also Providers when acting within the scope of their licenses, and

when rendering services covered under this Contract.

Physician Assistant (PA)

An individual duly licensed to provide basic medical services under the supervision of a licensed Physician.

Physician Assistant Anesthetist (PAA)

An individual duly licensed to provide anesthesia services under the supervision of a licensed Physician specializing in anesthesia.

Policies and Procedures

Alliant's quality assurance, quality improvement, accreditation, risk management, Utilization Management, Payment Policies, claims processing, claims adjudication and administrative Policies and Procedures. These provisions may change from time to time. Policies are not authorizations, certifications, explanation of benefits, or contracts for payment. Benefits and eligibility are determined by Alliant before medical guidelines and payment guidelines are applied.

Benefits are determined by Alliant that is in effect at the time Covered Services are rendered. Policies are created and derived from medical literature and review of common medical practices in the treatment and diagnosis of disease. Medical practices and knowledge are constantly changing Alliant reserves the right to review and revise their medical Policies periodically. Payment Policies are the guidelines utilized for calculating payment of claims under this Contract. Such guidelines include Alliant's standard claim coding and bundling methodology and claims processing Policies and Procedures.

PPACA

Patient Protection and Affordable Care Act.

PPO Network

A Preferred Provider Organization (PPO) is a limited panel of Providers as designated by Alliant known.

PPO Network Provider

A Preferred Provider Organization (PPO) is a Provider that is included in a limited panel of Providers as designated by Alliant and for which the greatest benefit will be payable when one of these Providers is used.

Premium

The amount required to pay for coverage.

Prescription Drug

A drug which cannot be purchased except with a prescription from a Physician and which must be dispensed by a pharmacist.

Primary Care Physician (PCP)

A licensed family practice, general practice, pediatrics, non-specialized obstetricians and gynecologists, or internal medicine Physician who has entered into an agreement to coordinate the care of Members.

Prior Authorization

A process used by Alliant to determine if a procedure or treatment is a medically necessary, covered service eligible under the plan for payment consideration. Prior Authorization approval is subject to all plan limits and exclusions.

Provider

Any Physician, health care practitioner, pharmacy, supplier or facility, including, but not limited to, a Hospital, clinical laboratory, Ambulatory Surgery Center, Retail Health Clinic, Skilled Nursing Facility, Long Term Acute Care facility, or Home Health Care Agency holding all licenses required by law to provide health care services.

Psychiatric Services within a General Hospital Facility

A general hospital facility that provides Inpatient psychiatric services for the diagnosis and treatment of mental illness on a 24-hour basis, by or under the supervision of a Physician.

Reasonable and/or Reasonableness

Shall mean in Alliant's discretion, services or supplies, which are necessary for the care and treatment of illness or injury not caused by the treating Provider. Determination that a service(s) is reasonable will be made by Alliant, taking into consideration unusual circumstances or complications requiring additional time, skill and experience in connection with a particular service or supply; industry standards and practices as they relate to similar scenarios; and the cause of injury or illness necessitating the service(s). This determination will consider, but will not be limited to, the findings and assessments of the following entities: (a) The National Medical Associations, Societies, and organizations; and (b) The Food and Drug Administration. To be Reasonable, service(s) and/or fee(s) must follow generally accepted billing practices for unbundling or multiple procedures. Services, supplies, care and/or treatment that results from errors in medical care that are clearly identifiable, preventable, and serious in their consequence for patients, are not Reasonable. Alliant retains discretionary authority to determine whether service(s) and/or fee(s) are Reasonable based upon information presented to Alliant. A finding of Provider negligence and/or malpractice is not required for service(s) and/or fee(s) to be considered not Reasonable. Charge(s) and/or services are not considered to be Reasonable, and as such are not eligible for payment, when they result from Provider error(s) and/or facility-acquired conditions deemed "reasonably preventable" through the use of evidence-based guidelines, taking into consideration but not limited to CMS guidelines. Alliant reserves for itself and parties acting on its behalf the right to review charges processed and/or paid by Alliant, to identify charge(s) and/or service(s) that are not Reasonable and therefore not eligible for payment by Alliant under the Contract.

Referral

Specific instructions from a Member's Physician, in conformance with Our policies and procedures, that direct a Member to an In-Network Provider for Medically Necessary care.

Respite Care

Care furnished during a period of time when the Member's family or usual caretaker cannot, or will not, attend to the Member's needs.

Retail Health Clinic

A facility that provides limited basic medical care services to Members on a "walk-in" basis. These clinics may operate in major pharmacies or retail stores. Medical services are typically provided by Physicians Assistants and Nurse Practitioners.

Semiprivate Room

A Hospital room which contains two or more beds.

Service Area

Specific geographic areas (such as counties) where coverage is offered.

Skilled Convalescent Care

Care required, while recovering from an illness or Injury, which is received in a Skilled Nursing Facility. This care requires a level of care or services less than that in a Hospital, but more than could be given at the patient's home or in a nursing home not certified as a Skilled Nursing Facility.

Skilled Nursing Facility

An institution operated alone or with a Hospital which gives care after a Member leaves the Hospital for a condition requiring more care than can be rendered at home. It must be licensed by the appropriate state agency and accredited by the Joint

Commission on Accreditation of Health Care Organizations, or otherwise determined by Us to meet the reasonable standards applied by any of the aforesaid authorities.

Specialty Drugs

High-cost, injectable, infused, oral or inhaled medications that typically require close supervision and monitoring of their effect on the patient by a medical professional. Specialty Drugs often require special handling such as temperature-controlled packaging and overnight delivery and are often unavailable at retail pharmacies. Most Specialty Drugs require Prior Authorization.

Specialty Pharmacy

A pharmacy which dispenses biotech drugs for rare and chronic diseases via scheduled drug delivery either to the Member's home or to a Physician's office. These pharmacies also provide telephonic therapy management to ensure safety and compliance.

Spinal Manipulation

Correction of subluxations in the body to remove nerve interference or its effects. Interference must be the result of or related to distortion, misalignment or subluxation of or in the vertebral column.

Subscriber

The individual who signed the Application for Enrollment and in whose name the Identification Card is issued.

Substance Abuse

Any use of alcohol and/or drugs which produces a pattern of pathological use causing impairment in social or occupational functioning or which produces physiological dependency evidenced by physical tolerance or withdrawal.

Substance Abuse Rehabilitation

Services, procedures and interventions to eliminate dependence on or abuse of legal and/or illegal chemical substances, according to individual treatment plans.

Substance Abuse Residential Treatment Center

A facility which provides treatment for substance (alcohol and drug) abuse to live-in residents who do not require acute medical care. Services include individual and group therapy and counseling, family counseling, laboratory tests, drugs and supplies, psychological testing, and room and board.

Substance Abuse Services within a General Hospital Facility

A general Hospital facility that provides services, on an inpatient, 24-hour basis, for medical Detoxification and treatment of conditions associated with the addiction to or misuse of alcohol or other drugs.

Technology Assessment Criteria

Five criteria all procedures must meet in order to be Covered Services under this Contract.

- The technology must have final approval from the appropriate government regulatory bodies.
- The scientific evidence must permit conclusions concerning the effect of the technology on health outcomes.

- The technology must improve the net health outcome.
- The technology must be as beneficial as any established alternative.
- The technology must be beneficial in practice.

Telehealth Services

Telehealth means the use of information and communication technologies, including, but not limited to, telephones, remote patient monitoring devices or other electronic means which support clinical health care, provider consultation, patient and professional health related education, public health, and health administration.

Telemedicine

Telemedicine is a form of telehealth which is the delivery of clinical health care services by means of real time two-way audio, visual, or other telecommunications or electronic communications, including the application of secure video conferencing or store and forward transfer technology to provide or support health care delivery, which facilitate the assessment, diagnosis, consultation, treatment, education, care management, and self-management of a patient's health care by a health care provider practicing within his or her scope of practice as would be practiced in-person with a patient, and legally allowed to practice in this state, while such patient is at an originating site and the health care provider is at a distant site.

Therapeutic/Clinically Equivalent

Certain Prescription Drugs may not be covered when clinically equivalent alternatives are available, unless otherwise required by law. "Therapeutic/Clinically Equivalent" means Drugs that, for the majority of Members, can be expected to produce similar therapeutic outcomes for a disease or condition. Therapeutic/Clinically Equivalent

determinations are based on industry standards and reviewed by such organizations as The Agency for Healthcare Research and Quality (AHRQ), a division of the U.S. Department of Health and Human Services.

Urgent Care

Treatment of an Urgent Care medical problem is not life threatening and does not require a trip to an emergency room at a Hospital; and is not considered an emergency. Benefits provided for Urgent Care Services are outlined in the Summary of Benefits and Coverage.

Urgent Care Center

A facility, appropriately licensed and meeting Alliant standards for an Urgent Care Center, with a staff of Physicians and health care professionals that is organizationally separate from a Hospital and whose primary purpose is providing urgently needed medical procedures. Services are performed on an outpatient-basis and no patients stay overnight. A Physician's office does not qualify as an Urgent Care Center.

STATEMENT OF RIGHTS UNDER THE WOMEN'S CANCER RIGHTS ACT OF 1998

If You have had or are going to have a mastectomy, You may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending Physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same Deductibles and Coinsurance applicable to other medical and surgical benefits provided under this Plan as outlined in the **Summary of Benefits and Coverage**.

GENETIC INFORMATION NONDISCRIMINATION ACT OF 2008 (GINA)

GINA prohibits employers and health plans from collecting and discriminating on the basis of genetic information for underwriting purposes, which include eligibility determinations, premium computations, applications of any pre-existing condition exclusions, and any other activities related to the creation, renewal, or replacement of a contract of health insurance or health benefits. The EEOC defines genetic information as:

- Information about an individual's genetic tests,
- Information about the genetic test of a family member,
- Family medical history,
- Request for and receipt of genetic services by an individual or a family member,
- Genetic information about a fetus carried by an individual or family member or of an embryo legally held by an individual or family member using assisted reproductive technology.

STATEMENT OF RIGHTS UNDER THE NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., Your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier. Also, under federal law, plans and issuers may not set the level of benefits or Out-of-Pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay. In addition, a plan or issuer may not, under federal law, require that a physician or other health

care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce Your Out-of-Pocket costs, You may be required to obtain precertification. For information on precertification, contact Your plan administrator.

THE PATIENT PROTECTION AND AFFORDABLE CARE ACT (PPACA)

The Patient Protection and Affordable Care Act (PPACA) is a United States federal statute signed into law by President Barack Obama on March 23, 2010. Together with the Health Care and Education Reconciliation Act, it represents the most significant government expansion and regulatory overhaul of the U.S. healthcare system since the passage of Medicare and Medicaid in 1965.

The PPACA is aimed at increasing the rate of health insurance coverage for Americans and reducing the overall costs of health care. It provides a number of mechanisms—including mandates, subsidies, and tax credits—to employers and individuals to increase the coverage rate. Additional reforms aim to improve healthcare outcomes and streamline the delivery of health care. The PPACA requires insurance companies to cover all Applicants and offer the same rates regardless of pre-existing conditions or sex. The Congressional Budget Office projected that the PPACA will lower both future deficits and Medicare spending.

On June 28, 2012, the United States Supreme Court upheld the constitutionality of most of the PPACA in the case *National Federation of Independent Business v. Sebelius*.

- The PPACA includes numerous provisions to take effect over several years beginning in 2010. There is a grandfather clause on policies issued before then that exempt them from many of these provisions, but other provisions may affect existing policies.
- Guaranteed issue requires policies to be issued regardless of any medical condition, and partial community rating requires insurers to offer the same premium to all Applicants of the same age and geographical location without regard to gender or most pre-existing conditions (excluding tobacco use).
- A shared responsibility requirement, commonly called an individual mandate, requires that all individuals not covered by an employer sponsored health plan, Medicaid, Medicare or other public insurance programs, secure an approved private-insurance policy, unless the applicable individual is a Member of a recognized religious sect exempted by the Internal Revenue Service, or waived in cases of financial hardship. The penalty for not securing coverage changed from \$695 to \$0 beginning with plan year 2019.
- Health insurance exchanges operate in each state, offering a Health Insurance Marketplace where individuals and small businesses can compare policies and premiums, and buy insurance (with a government subsidy if eligible).
- Low-income individuals and families above 100% and up to 400% of the federal poverty level may receive federal subsidies on a sliding scale if they choose to purchase insurance via an Exchange.
- The text of the law expands Medicaid eligibility and simplifies the CHIP enrollment process.

In *National Federation of Independent Business v. Sebelius*, the Supreme Court effectively allowed states to opt out of the Medicaid expansion, and some states (including Georgia) have chosen to exercise their opt-out privilege. States that choose to reject the Medicaid expansion can set their own Medicaid eligibility thresholds, which in many states are significantly below 133% of the poverty line; in addition, many states do not make Medicaid available to childless adults at any income level. Because subsidies on insurance plans purchased through exchanges are not available to those below 100% of the poverty line, this may create a coverage gap in those states.

- Minimum standards for health insurance policies, to include Essential Health Benefits, have been established and annual and lifetime coverage caps are banned.
- Firms employing 50 or more people but not offering health insurance pay a shared responsibility requirement if the government has to subsidize an Employee's health care.
- Very small businesses are able to get subsidies if they purchase insurance through an Exchange.
- Copayments, Coinsurance, and Deductibles are eliminated for select health care insurance benefits considered to be part of an "essential benefits package" for Level A or Level B preventive care.
- Alliant Health Plans complies with every provision of the PPACA and:
 - Applies no Annual and Lifetime Limits for Essential Health Benefits;
 - Adheres to a prohibition of rescission in accordance with regulations;
 - Provides zero-cost share preventive health service benefits;
 - Extends coverage to Dependents to age 26;
 - Provides a Summary of Benefits and Coverage to each member;
 - Implements an appeal process that complies with federal and state regulations;
 - Prohibits pre-existing conditions from being excluded;
 - Meets the standards for fair premium, limited rating factors and is compliant with the "metal" levels established by the Federal Government, where applicable;
 - Makes its plan(s) available on a guaranteed issue basis and does not discriminate in offering coverage;
 - Exceeds the Essential Health Benefit benchmarks set by the Federal Government; to include out-patient prescription drug coverage, habilitative and pediatric vision and pediatric dental coverage; as well as Mental Health Parity;
 - Applies no waiting periods that exceed 90-days;
 - Provides coverage for participation in Clinical Trials as further defined in this Certificate;
 - Employer-sponsored plans cannot discriminate in favor of highly compensated individuals as to eligibility to participate. In addition, the benefits provided under the plan cannot discriminate in favor of highly compensated individuals. Highly compensated individuals include the five highest paid officers, shareholders who own more than 10 percent of the stock, and the highest paid 25 percent of all Employees.

IMPORTANT: The following information only applies if You purchased Your plan on Georgia Access.

REPORTING LIFE & INCOME CHANGES TO GEORGIA ACCESS

Once You have Georgia Access coverage, You must report certain life changes. This information may change the coverage or savings You're eligible for.

Important: Do not report these changes by mail. See below for instructions on how to report changes.

Life changes to report:

You must report a change if You:

- Get married or divorced
- Have a child, adopt a child, or place a child for adoption
- Have a change in income
- Get health coverage through a job or a program like Medicare or Medicaid
- Change Your place of residence
- Have a change in disability status
- Gain or lose a Dependent
- Become pregnant
- Experience other changes that may affect Your income and household size
- Other changes to report: change in tax filing status; change of citizenship or immigration status; incarceration or release from incarceration; change in status as an American Indian/Alaska Native or tribal status; correction to name, date of birth, or Social Security number.

When and how to report changes:

- You should report these changes to Georgia Access as soon as possible.
- If these changes qualify You for a special enrollment period to change plans, in most cases You have 60 days from the life event to enroll in new coverage. If the changes qualify You for more or less savings, it's important to make adjustments as soon as possible.

Important: Do not report these changes by mail.

You can report these changes 2 ways:

- Online. Log in to Your account. Select Your application, then select "Report a life change" from the menu on the left.
- By phone. Contact Georgia Access Call Center at (800) 318-2596 (TTY: (855) 889-4325)

After You report a change to Georgia Access, You'll get a new eligibility notice that will explain:

- Whether You qualify for a special enrollment period that allows You to change plans
- Whether You're eligible for lower costs based on Your new income, household size, or other changed information. You may become eligible for the first time, for a different amount of savings, or for coverage through Medicaid or the Children's Health Insurance Program (CHIP). You also could become ineligible for savings if Your income has gone up, for example.

If You're eligible for a Special Enrollment Period:

You'll be able to shop for a different plan on Georgia Access. You usually have up to 60 days from the date of the qualifying event to enroll in a new plan.

If You have a Special Enrollment Period, You can change plans 2 ways:

- Online. Log in to Your account and select Your application. Then select "Eligibility and Appeals" from the menu on the left. Next, scroll down and click the green "Continue to enrollment" button. You can then shop for plans and change Your selection.
- By phone. Contact Georgia Access Call Center at (800) 318-2596 (TTY: (855) 889-4325).

If You're not eligible for a Special Enrollment Period but the tax credit You qualify for has changed, You can't change plans. But You can choose to adjust the amount of the tax credit to apply to Your monthly premiums.

Changing Your profile information:

You should report changes that don't affect Your coverage or savings as well.

- To change Your home address, email address, or phone number, update the information on Your Georgia Access page.
- Be sure to report address, email, and phone changes to Alliant Health Plans. Otherwise, We may not know about Your new contact information. Contact Client Services at (866) 403-2785.

NOTICE OF PRIVACY PRACTICES FOR PROTECTED HEALTH INFORMATION

- THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED
- HOW HEALTH INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED
- YOUR RIGHTS WITH RESPECT TO YOUR HEALTH INFORMATION
- HOW TO FILE A COMPLAINT CONCERNING A VIOLATION OF THE PRIVACY OR SECURITY OF YOUR HEALTH INFORMATION, OR OF YOUR RIGHTS CONCERNING YOUR INFORMATION
- YOU HAVE A RIGHT TO A COPY OF THIS NOTICE (IN PAPER OR ELECTRONIC FORM) AND TO DISCUSS IT WITH THE PRIVACY OFFICER at (866) 403-2785 and HIPAA@AlliantPlans.com IF YOU HAVE ANY QUESTIONS.

PLEASE REVIEW IT CAREFULLY

This Notice of Privacy Practices describes the practices of Health One Alliance LLC, its subsidiaries or affiliates (collectively referred to herein as "Health One Alliance, LLC") for safeguarding individually identifiable protected health information. The terms of this Notice apply to members and dependents for their individual and group health insurance.

We are required by law to maintain the privacy of Our members' and dependents' protected health information, provide notice of Our legal duties and privacy practices with respect to protected health information and notify affected individuals of a breach of their unsecured identifiable protected health information. We are required to abide by the terms of this Notice if it remains in effect.

Effective Date. This Notice of Privacy Practices is effective as of: 1/1/2025

Changes to the Terms of this Notice. We reserve the right to change the terms of this Notice as necessary, and the changes will apply to all protected health information that We have about You. The new notice will be available on Our Web site, and We will mail a copy to You upon request.

Uses and Disclosures of Your Protected Health Information, Authorization. Except as explained below, We will not use or disclose Your protected health information for any purpose unless You have signed a form authorizing Our use or disclosure. For example, authorization must be obtained before any uses and disclosures of Your protected health information by Us for marketing purposes, sale of protected health information, as well as most uses and disclosures of psychotherapy notes. Unless We have taken any action in reliance on the authorization, You have the right to revoke an authorization if the request for revocation is in writing and sent to: Privacy Officer, Health One Alliance, LLC, P.O. Box 1128, Dalton, GA 30722. A form to revoke an authorization can be obtained from the Health Information Privacy Officer. For Substance Use Disorder records, as described below, You may provide a single consent for all future uses or disclosures for treatment, payment and healthcare operations. If the state law and federal law, including the laws that protect substance use disorder records conflict, We will comply with the more stringent law that provides greater privacy protection for You.

Uses and Disclosures for Treatment. We may disclose Your protected health information as necessary for Your treatment. For instance, a doctor or healthcare facility involved in Your care may request Your protected health information in Our possession to assist in Your care.

Uses and Disclosures for Payment. We use and disclose Your protected health information as necessary for payment purposes. For instance, We may use Your protected health information to process or pay claims, for subrogation, to perform a hospital admission review to determine whether services are for medically necessary care or to perform prospective reviews. We may also disclose information to another insurer to process or pay claims on Your behalf.

Uses and Disclosures for Healthcare Operations. We use and disclose Your protected health information as necessary for healthcare operations. For instance, We may use or disclose Your protected health information for quality assessment and quality improvement, credentialing healthcare providers, premium rating, conducting or arranging for medical review or compliance. We may also disclose Your protected health information to another insurer, healthcare facility or healthcare provider for activities such as quality assurance or case management. We may contact Your healthcare providers concerning prescription drug or treatment alternatives.

Genetic Information Non-discrimination Act. We are prohibited from using Your genetic information for underwriting purposes. Genetic information for purposes of underwriting means, with respect to any individual, information about (i) such individual's genetic tests, (ii) the genetic tests of family members of such individual, and (iii) the manifestation of a disease or disorder in family members of such individual (i.e., family medical history). It also includes the collection of genetic information for clinical research purposes but excludes information about the sex or age of any individual.

Substance Use Disorder. Records requested from Us for legal proceedings or court orders shall not be used or disclosed in any civil, administrative, criminal, or legislative proceedings against the patient unless based on specific written consent or a court order. If there is a court order You have an opportunity to be heard by the court when required by law and any court order that authorizes the use or disclosure of Your substance use disorder records must be accompanied by a subpoena or similar legal mandate compelling disclosure before the record is used or disclosed.

Business Associates. Certain aspects and components of Our services are performed by third party persons or organizations pursuant to agreement or contract with Us. It may be necessary for Us to disclose Your protected health information to these third-party persons or organizations that perform services on Our behalf. We require them to appropriately safeguard the privacy of Your protected health information as required by law.

Family, Friends and Personal Representatives. With Your written authorization, We may disclose to family members, close personal friends, or another person You identify, Your protected health information relevant to their involvement with Your care or paying for Your care. If You have given someone medical power of attorney or if someone is Your legal guardian, that person can exercise Your rights and make choices about Your protected health information. We will make sure the person has the authority and can act for You before We take any action.

In Cases of Incapacity or Emergency. If You are unavailable, incapacitated or involved in an emergency, and We determine that a limited disclosure is in Your best interests, We may disclose Your protected health information to family members, close personal friends, or another person You have identified without Your approval. We may also disclose Your protected health information to public or private entities to assist in disaster relief efforts.

Communications Through Text Messages or Emails. With Your written authorization or consent, including Your voluntary acknowledgement that text and email messages are not secure and You are assuming the risk of unauthorized access or disclosure to a third-party, We may communicate to You via text messages or emails for purposes of payment, debt collection, healthcare operations and treatment, including appointment reminders, information about insurance program benefits, preventative health and wellness reminders, instructions and follow ups. The methods of contact may include, but are not limited to prerecorded or artificial voice messages, automatic telephone dialing system, including auto-dialers, text messages, electronic chat, and/or email messages, as applicable.

Other Uses and Disclosures. We are permitted or required by law to use or disclose Your protected health information, without Your authorization, in the following circumstances:

- For any purpose required by law;
- For public health activities (for example, reporting of disease, injury, birth, death or suspicion of child abuse or neglect);
- To a governmental authority if We believe an individual is a victim of abuse, neglect or domestic violence;
- For health oversight activities (for example, inspections, licensure actions or civil, administrative or criminal proceedings or actions);
- For judicial or administrative proceedings (for example, pursuant to a court order, subpoena or discovery request);
- For law enforcement purposes (for example, reporting wounds or injuries or for identifying suspects, witnesses or missing people);
- To coroners and funeral directors;
- For procurement, banking or transplantation of organ, eye or tissue donations;
- For certain research purposes;
- To avert a serious threat to health or safety under certain circumstances;
- For military activities if You are a member of the armed forces, for intelligence or national security issues; or about an inmate or an individual to a correctional institution or law enforcement official having custody; and
- For compliance with workers' compensation insurance purposes;
- We will adhere to all applicable state and federal laws or regulations that provide additional privacy protections. We will only use or disclose AIDS/HIV-related information, genetic testing information and information pertaining to Your mental condition or any substance abuse problems as permitted by state and federal law or regulation. Except for the types of uses and disclosures of protected health information described in this Notice, We may make other uses and disclosures of protected health information only with Your written authorization.

Your Rights Regarding the Restriction on Use and Disclosure of Your Protected Health Information. You have the right to request certain restrictions on how We use or disclose Your

protected health information for treatment, payment or healthcare operations. You also have the right to request restrictions on disclosures to family members or others who are involved in Your care or the paying of Your healthcare. To request a restriction, You must send a written request to: Privacy Officer, HIPAA@AlliantPlans.com Health One Alliance, LLC, P.O. Box 1128, Dalton, GA 30722. A form to request a restriction can be obtained from the Privacy Officer. We are not required to agree to Your request for a restriction, except for a restriction to disclose Your protected health information to a health plan if the purpose is to carry out payment or healthcare operations which is not otherwise required by law and the protected health information pertains solely to a healthcare item or service for which a person, other than the health plan, has paid the healthcare provider in full. If We agree to Your request for a restriction, You will receive a written acknowledgement from us.

In these cases, We never share Your information unless You give Us written permission:

- Sale of Your information
- Most sharing of psychotherapy notes
- Substance use disorder counseling notes

Receiving Confidential Communications of Your Protected Health Information. You have the right to request communications regarding Your protected health information from Us by alternative means (for example by fax) or at alternative locations. We will accommodate reasonable requests for such alternative means. To request a confidential communication, You must send a written request to: Privacy Officer, Health One Alliance, LLC, P.O. Box 1128, Dalton, GA 30722. A form to request a confidential communication can be obtained from the Privacy Officer.

Access to Your Protected Health Information. You have the right to inspect and/or obtain a copy of Your protected health information We maintain in Your designated record set, with a few exceptions. To request access, You must send a written request to: Privacy Officer, Health One Alliance, LLC, P.O. Box 1128, Dalton, GA 30722. A form to request access to Your protected health information can be obtained from the Privacy Officer. A fee will be charged to You for copying and postage.

Amendment of Your Protected Health Information. You have the right to request an amendment to Your protected health information to correct inaccuracies. To request an amendment, You must send a written request to: Privacy Officer, Health One Alliance, LLC, P.O. Box 1128, Dalton, GA 30722. A form to request an amendment to Your protected health information can be obtained from the Privacy Officer. We are not required to grant the request in certain circumstances.

Accounting of Disclosures of Your Protected Health Information. You have the right to receive an accounting of certain disclosures of Your protected health information made by Us within the six years immediately preceding Your request. To request an accounting, You must send a written request to: Privacy Officer, Health One Alliance, LLC, P.O. Box 1128, Dalton, GA 30722. A form to request an accounting of Your protected health information can be obtained from the Privacy Officer. The first accounting in any 12-month period will be free; however, a fee will be charged to You for any subsequent request for an accounting during that same time.

Complaints. If You believe Your privacy rights have been violated, You can send a written complaint to the Privacy Officer, Health One Alliance, LLC, P.O. Box 1128, Dalton, GA 30722 or at HIPAA@AlliantPlans.com or to the Secretary of the U.S. Department of Health and Human Services. There will be no retaliation for filing a complaint.
